Oahspe, a New Bible in the Words of Jehovih and His Angel Ambassadors John Ballou Newbrough,1882 *God's Generals* Roberts Liardon,2000-11-01 In God s Generals Roberts Liardon will help you recapture God s glory with compelling spiritual biographies of some of the most powerful ministries to ever ignite the fires of revival Liardon faithfully chronicles their lives in this work along with their teachings their spiritual discoveries and many revealing photos Four of God s Generals who you will meet include William J Seymour the son of ex slave who turned a tiny horse table on Azusa Street Los Angeles into an internationally famous center of revival Aimee Semple McPherson the glamorous and flamboyant founder of the Foursquare Church and the nation s first Christian radio station Smith Wigglesworth the plumber who read no book but the Bible and raised the dead Kathryn Kuhlman the beloved evangelist whose miracle filled meetings drew millions of skeptics to faith **God, Man, and Hollywood** Mark Royden Winchell,2008 It takes no great powers of observation to see that Hollywood has long been far to the left of the general American public Even in stories that have no overt political content the social and moral assumptions in films rated from GP to R are often at odds with the deeply held values of most of the viewing audience But that s not the whole story argues the literary and cultural critic Mark Royden Winchell in God Man and Hollywood A surprising number of films articulate culturally unfashionable attitudes and it is from these movies that we learn the most about our society and ourselves Beginning with D W Griffith s The Birth of a Nation and ending with Mel Gibson s The Passion of the Christ Winchell reveals the politically incorrect notions at the heart of eighteen classic films including Ben Hur Intruder in the Dust The Man Who Shot Liberty Valance Patton The Deer Hunter A Clockwork Orange Gangs of New York and Gettysburg Along the way he shows how a number of filmmakers sometimes unwittingly have produced unconventionally honest explorations of the nature and meaning of race relations love family community worship and other aspects of our shared human experience Winchell ends with synoptic assessments of an additional one hundred politically incorrect films from About Schmidt to Zulu The result is an indispensable film guide showing that sometimes even Hollywood has done better than we typically give it credit for **Civil War Times Illustrated** ,2002-05 **Primitive Sage: Conquer Another World** Xiao YaoHuanYu,2019-10-29 In the twenty first century just as Li Yun was about to commit suicide by jumping off a cliff a bolt of purple lightning struck him bringing him to a chaotic period In the end when he encountered Pangu he took his treasure and during the time of Pangu s creation he was schemed by the heavens to help Pangu **God's Generals: Maria Woodworth-Etter** Roberts Liardon,2000-11-01 Roberts Liardon chronicles the lives and

legacies of men and women who were empowered by the Holy Spirit to bring worldwide revivals Understanding God's Will Kyle Lake,2004-09 Everyone struggles with questions like How can I know if I m pursuing God s will or my own In this book pastor Kyle Lake suggests that God s will for a person s life isn t as formulaic as it s often made out to be This book alleviates ambiguities about God s desires for our lives Through the use of scriptural metaphors such as discipleship kingdom and fatherhood this message empowers people to make wise decisions with the guidance of a God who is not a genie an insurance policy nor a dominator **The American Enterprise** ,2003 *Gods and Generals Photographic Companion* ,2003-02-01 **North & South** ,2001 *God's Generals* Richard A. Gabriel,2017-01-03 Examines how the military experience of three religious founders shaped their spiritual legacy It is one of the more startling facts of military history that the founders of three of the four great religions Judaism Buddhism and Islam were also accomplished field generals with extensive experience in commanding men in battle One of these Muhammad fought eight battles and was wounded twice once almost fatally Another Siddhartha Gautama later to become the Buddha witnessed so much battlefield carnage that he suffered a psychological collapse Moses had become so much a god intoxicated personality that it is a reasonable suspicion that he like the Buddha was murdered Indeed had the experiences of these men in war not been so successful it is quite possible that their achievements as religious leaders would never have occurred For all three war and religion were so closely intertwined in their personalities that it is difficult to discern where the influence of one ended and the other began This book attempts to explore the military lives of Moses the Buddha and Muhammad and the role their war experiences played in their religious lives Skyhorse Publishing as well as our Arcade imprint are proud to publish a broad range of books for readers interested in history books about World War II the Third Reich Hitler and his henchmen the JFK assassination conspiracies the American Civil War the American Revolution gladiators Vikings ancient Rome medieval times the old West and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home
