## God Thing:

It's a God Thing James T. Dyet, 2006 If it s a good thing it s a God Thing If it s a bad thing The devil s out to get me We use these phrases over and over again to describe the differences between men and women and it works mostly However the phrase It s a God Thing seems to be employed to explain every good turn of events that pops up in the Christian life Too often Christians can perpetuate false perceptions of God and His people by turning biblical principles or even the words themselves into trite clich s that lose their true relevance and application Author Jim Dyet graciously but authoritatively debunks many such misunderstandings and better yet explains why it s important for us to understand them rightly *The "God Thing" In A.A.* Stan S., 2010-05-20 The real goal of most alcoholics is to be happy joyous and free Many have tried to find it through sobriety but were unable to do so it s rarely achieved through sobriety alone The good news is that it can be found through wakening to our spiritual reality as promised in the twelfth step of Alcoholics Anonymous Sobriety is just the ante The author takes on the role of an uber sponsor challenging both himself and the reader to open his or her mind to what is actually happening in their life and the subtle things we do that impede our own progress It wrestles with the difficulties of coming to A A starting with sobriety approaching the steps and checking personal progress He then walks the reader through his struggles and experience with each one of the steps as he wakened to his own spiritual reality For more information about the book go to [www TheGodThingInAA net](http://www.TheGodThingInAA.net) *It's a God Thing!* Betty Whitaker Jackson, 2012-11 Coincidence No Godincidence In the words of John Phelps everything in life is by divine appointment Before there was anything God the Almighty knew your life story He knew you d be here on this day in this place He gave me this message through the Holy Spirit who dwells in me in this place in your heart This is and was a divine appointment You realize don t you that among all the religions faiths and testimonies throughout history Christianity is the only one where God reaches out to man All the others are dependent upon man s trying to please their gods Some even have to get his attention They ring bells they clang gongs they hang paper messages they chant they need priests Our Lord answers a whispered prayer and is closer to us even than breath Imagine Check out this book filled with Godincidences of New York City life suspense terrorism romance courting and pastoral ministry Grapple with eternal questions prompted by the book s story *Must Have Been a God Thing!* Tee Jackson, 2021-04-12 Had to Be a God Thing Back page summary from Author Tee Jackson From the Author of *Rattle Them Palings* Tee Jackson presents to you the reader a collection of examples of how God both communicates with and uses willing people of today to carry out His various assignments You will read of detailed occurrences that are both true and yet seemingly unordinary The author encourages you to look carefully into your own life to determine if God might be sending special messages to you while yet you are unaware *Must Have Been a God Thing* makes an affordable study book for small groups and or a special gift for a friend The author would have you to discover God s perfect plan for your life He encourages you to turn your attention to Jesus Christ for your direction in life You could not have a better friend It's A
