#### General description

*Expeditions Into English* is a CD-ROM, advertised as a multimedia tutorial for beginning to intermediate students of ESL/EFL integrating text, audio, and color graphics in a user friendly environment. Developers also claim that it can be used with advanced students especially the later lessons that deal with more complex structures. It offers on-line help (instructions that appear at the bottom of the screen or audio instructions to inform you when you enter or exit a particular module).

*Expeditions Into English* offers a wide range of lessons dealing with a variety of topics and language functions. There are 12 units on the CD-ROM:

- Unit 1: Beginnings
- Unit 2: Personal Information
- Unit 3: Family and Friends
- Unit 4: Likes and Dislikes
- Unit 5: Time and Activities
- Unit 6: Home and Travel
- Unit 7: Shopping
- Unit 8: Food and Money
- Unit 9: Leisure Time
- Unit 10: Personalities and Professions
- Unit 11: The Body
- Unit 12: Getting out

Each unit contains 2 to 4 lessons. Each lesson consists of a picture, text (dialogue or monologue) and sound files. Students can listen to the text by clicking on the individual words or sound icons at the end of each sentence. Alternatively they can listen to the whole conversation by clicking on the sound icon at the bottom of the screen.

There are 5 modules in each lesson.

1. A **listening comprehension** module where students listen to words or sentences and then locate them in the text by clicking on them.
2. A **quiz** where the questions come in different formats: a combination of fill-in the blank and multiple choice questions where students can read a sentence with or without a blank and then select the appropriate sound/phrase from a list of possible answers to answer the question or fill-in the blank. In other quiz items students listen to a string of sentences and then type what they heard in a box provided on the screen.
3. A **reading** module where students read a text and then answer questions about it.
4. A **vocabulary** module where students can listen to each vocabulary item included in the lesson, see a picture and 1-2 examples of use. For some vocabulary items there are no pictures.
