

Clinical Field Experience B: Student Needs and Instructional Planning

In your second week of clinical field experience, you are required to obtain at least 5 hours in the classroom. Due to the many unusual circumstances currently, some students are unable to obtain normal field experience. To help mitigate them, there are three classified levels for obtaining your hours and completing the field assignments. After reviewing the levels, determine your level and follow the instructions below.

- **Level 1:** You are able to interview a regular classroom teacher (or other approved mentor) and obtain the classroom (or other approved setting) hours.
- **Level 2:** You are able to complete an interview with a regular classroom teacher (or other approved mentor) but are unable to be in the classroom.
- **Level 3:** You are not able to complete either the classroom teacher interview or hours.
