The first of these is the fact that the
 government has been unable to
 raise the necessary funds to
 cover the costs of the
 program. This is due to a
 combination of factors,
 including a decline in
 tax revenue and an
 increase in government
 spending. The second
 problem is the fact that
 the program has been
 subject to a number of
 delays and setbacks,
 which have led to a
 loss of confidence in
 the government's ability
 to carry out the program.
 Finally, the program has
 been criticized for being
 too expensive and for
 not providing enough
 benefits to the people
 who need it most.
