Confirmation, Or, the Laying on of Hands: Practical Confirmation, 1927

Signed, Sealed, Delivered, 2014-04-01 An all in one volume sharing the history practice and viewpoints of Confirmation in the Episcopal Church and the first book on the subject for at least 15 years Resolutions regarding Confirmation are coming to the 2015 General Convention Includes questions for reflection and study by individuals and groups Many clergy and educators would say that the rite of Confirmation in the Episcopal Church today is a sacrament in search of a meaning Some believe Confirmation is an essential rite of passage for adult leadership in the governance of the church Some believe it is a rite that no longer has a place in the life of the church understanding the importance that Baptism now holds in the 1979 Book of Common Prayer's ecclesiology Following a history of how the rite of Confirmation came about and its implications for youth and adults in the church today voices in the Episcopal Church bishops liturgical scholars confirmation leaders and youth themselves offer fresh viewpoints here in a conversational format to engage the reader

American Ecclesiastical Review Herman Joseph Heuser,1937 *Anglican Confirmation* Phillip Tovey,2016-04-15 Confirmation was an important part of the life of the eighteenth century church which consumed a significant part of the time of bishops of clergy in their preparation of candidates and of the candidates themselves in terms of a transition in their Christian life Yet it has been almost entirely overlooked by scholars This book aims to fill this void in our understanding and offers an important contribution and correction of our understanding of the life of the church during the long eighteenth century in both Britain and North America Tovey addresses two important historical debates the pessimist optimist debate on the character and condition of the Church of England in the eighteenth century and the debate on the re enchantment of the eighteenth century which challenges the secular nature of society in the age of the Enlightenment Drawing on new developments of the study of visitation returns and episcopal life and on primary research in historical records Anglican Confirmation goes behind the traditional Tractarian interpretations to uncover the understanding and confidence of the eighteenth century church in the rite of confirmation The book will be of interest to eighteenth century church historians theologians and liturgists alike **Nutrition Education in Medical Schools** United States.
