The Game for All America John Thorn,1992-03-22     **The American Rifle** Townsend Whelen,1918     Baseball's Longest Games Philip J. Lowry,2010-04-23 Baseball is the only major team sport that doesn't feature a clock and there's a familiar saying among fans that as long as outs remain the game can theoretically go on forever Every now and again it nearly does as author Phil Lowry demonstrates The product of more than four decades of research this book catalogs baseball games from around the world and throughout history that lasted 20 or more innings stretched five or more hours or ended after 1 00 am Lowry also examines probability models to predict how often games of unusual length will occur

a culture and the birth of a game that has thrilled Americans for generations It is an inspiring reminder of the extraordinary things that can be achieved when we set aside our differences and embrace a common purpose **The Inlander** ,1905
