

Fathers Arcane Daughter

- The Genre of Fathers Arcane Daughter is Realistic Fiction. The setting is at the Carmichael family house. The Characters are Caroline, Martha, Dad, Mom, Winston, Heidi, Mrs. Trollope, Mrs. Luellen, and Grandma. The plot is Caroline (long lost daughter) has been missing for 16 years and the day she shows up the family was shocked. After visiting her for awhile the family is suspicious and wonders if that is actually the real Caroline. The conclusion of the story is That Martha who was an assistant at a nursing home where the grandma was staying. She got information on Caroline's disappearance and on Caroline's friends so to make the grandma happy before she died she pretended to be Caroline to please the grandmother. This is how they found out that this was a fake Caroline. My critique on Fathers Arcane Daughter is I enjoyed it a lot even though it looks like an old book it was actually a really good one I Recommend it to everyone.
