Flip The Script:

Flip the Script Brittany Estes,2023-03-14 Don't let harmful dialogues play through your mind it's time to flip the script and reclaim your joy Soon you'll begin to see life in a brand new way Negative broken lie filled sentences fill your head as you work play and go about your life These scripts are sidelining you maligning you harming you What if there were another way What if your life didn't have to be defined by what others say Or even by what you say to yourself over and over What if you knew that beauty and life are yours to be found and you finally danced in the freedom that awaits you There is more for you friend so much more You can learn how to silence all the negative scripts so you can hear the One who really matters and live the exuberant positive life meant for you In this book you'll finally uncover the scripts that have broken you down The great news is that you are never broken beyond repair Learn how God gently collects all your broken pieces and puts them back together as you retrain your mind to think differently about your situation God and your world **Flip the Script**

Harney,Gary M. Burge,2026-02-17 In many ways John s Gospel functions as both a Gospel and a letter As a Gospel it tells the story of Jesus and his role as revealer of God the Father and provider of redemption to all humanity As a letter it encouraged first century Christians in the life they had chosen revealed how life in Christ was different from Judaism and corrected false teachings like those of the Gnostics But fundamentally John s Gospel narrates the life of Jesus and reveals that he was truly the Son of God Jesus had lived in the flesh among the people John being one of Jesus closest disciples had witnessed Jesus teaching those who followed him seen the miracles that he had performed and was there when he was crucified and then raised from the dead Yet in spite of all the miraculous signs pointed teachings and resurrection there were still questions about Jesus divinity So John sought through his own personal testimony to reveal why Jesus was fully divine while also being fully human John made it clear that Jesus would be filled with power from the Holy Spirit and that when Christ left the earth he made that same power available to all his followers both in the first century and for followers today Each study in the NIV Application Bible Study series employs a three step process to help you understand both the historical meaning of a biblical text and its relevance in modern times The original meaning section reveals the questions and concerns the author was addressing The past to present section then explains what significance the original audience would have found in the passage and what significance you can find in it today Finally the questions that accompany each section will help you specifically apply the author s words and teachings and find meaning in them for what you are facing in your life Lessons The Word Becomes Flesh John 1 1 18 A Rabbi Meets the Teacher John 3 1 21 A Thirsty Woman Finds Water John 4 1 42 The Hungry Struggle with the Bread of Life John 6 1 71 The Crowd Debates the Source of Living Water John 7 1 52 The Blind Confront the Light of the World John 8 12 9 41 A Family Experiences Resurrection John 11 1 57 The Master Serves John 13 1 38 The Son Promises the Spirit John 14 1 31 The Vine Prepares the Branches for Fruitfulness John 15 1 16 4 The Light Plunges into Darkness John 18 1 19 42 The Lord of Life Returns John 20 1 29 **Flipping the Script** E. why Oren is throwing out the old playbook on persuasion Instead he ll show you a new approach that works on this simple insight Everyone trusts their own ideas If rather than pushing your idea on your buyer you can guide them to discover it on their own they ll believe it trust it and get excited about it Then they ll buy in and feel good about the chance to work with you That might sound easier said than done but Oren has taught thousands of people how to do it with a series of simple steps that anyone can follow in any situation And as you ll see in this book Oren has been in a lot of different situations He ll show you how he got a billionaire to take him seriously how he got a venture capital firm to cough up capital and how he made a skeptical Swiss banker see him as an expert in banking He ll even show you how to become so compelling that buyers are even more attracted to you than to your product These days it s not enough to make a great pitch To get attention create trust and close the deal you need to flip the script
