took him deeply and sought every crevice of his lips and mouth He pulled her close She broke away She sat up and with little more than a shake of her shoulders allowed her tunic to fall He caught his breath once more She was beautiful She always was but with the glow of magic her breasts had become firm strong and very tender Her desire hardened on her chest Her skin bronze in the daylight turned darker with the night and pulsed with a scent and feel of longing Whisper leaned over and pulled the vest apart that bound Sebastians chest Her long fingers traced every muscle in his chest They lingered on his breast and she leaned down to kiss each and every part of him His mind went blank The only thing he knew now was desire Desire for Whisper He heard rather than felt the thump of his wings against the wind It was a slow hard thump that pushed air down and moved his body up His embrace of Whisper kept her close What remained of their clothing was now spread across a small space of grass just below their undulating bodies Whisper felt the heat rising in her loins Her desire glistened between her legs Her mind saw the moon outline the embrace of their bodies Her wings matched the beat of Sebastians Soon they neither rose nor fell They hung in the balance naked in the moonlight her legs wrapped around Sebastians back her pelvis pushed against his body He pulled her closer She mounted him right there and then She guided his manhood deep inside her Then she ground against him feeling him fill her full The beat of their wings matched the lust of their desires Their breath came in short hungry gasps Their wings trembled in heavy fast beats Whisper s body shook first Sebastian s head thrust back as his whole body tensed in a hard lock around Whisper Both shook violently in a silent scream Then softly very softly they fell back to ground Sebastian lay first Then Whisper curled on his chest She listened for his heartbeat and smiled She was naked in the forest but warm in his embrace Whisper closed her eyes She knew she would not wake until the warm sun began its ascent
