Glorious Conquest:

The Glorious Conquest Dean Youngsma, 2014-05-16 God is Always Right God is real God is not dead God speaks to true believers through the power of the Holy Spirit God also speaks to believers through His Holy Word the Bible Most Christians would agree with this statement However many do not believe the New Covenant as it is written Because of this many people who profess to believe are actually walking in an unsafe place of unbelief I wrote this book for two groups of people the serious seeker for truth and the serious believer who has been looking for answers to their own unanswered questions The Glorious Conquest attempts to uncover some of the troubling issues regarding theology History philosophy sociology some ideological views and the problem of unity among believers These conflicting issues have plagued the church for the past five centuries Diversification under the flag of denominationalism has caused a departure from some Christian Biblical orthodoxy Most church leaders do not even want to discuss these issues but instead would rather defer to their historical traditions and liturgy
