George Washington's Cows:

George Washington's Cows David Small,1997-03-11 George Washington's cows were kept upstairs And given their own special room They never were seen by light of day No matter for what or by whom These cows are just the beginning of George's problems To be sure his hogs are helpful around the house but it irks Martha when their parties are better than hers And then there are the sheep all of them smarter than Tom Jefferson with degrees no to say sheepskins to prove it What's a Father of his country to do David Small puts a hilariously sticky fingerprint on the well polished veneer of American history showing readers what really went on in the home of our first President
