First Pink Light:

First Pink Light Eloise Greenfield, 1991 Poignant text and sensitive illustrations celebrate the riches of family life and one child's determination as he struggles to stay awake to greet the return of his father at dawn's first light A fine contribution Kirkus Reviews Full color [450 More Story Stretchers for the Primary Grades](#) Shirley C. Raines, 1994 Activities to expand children's favorite books Primary grades *My Encounter with the People of Repobos* Barry Nadler, 2022-06-10 George Lancaster has explored caves all over the world His spelunking skills serve him well in any situation only this time he's in trouble This Wyoming cave has some unwanted surprises At first the cave seems ordinary enough but his boots are getting damaged by the rough sharp rocks he's walking on Normally when this happens he will go back and get better prepared for the terrain But there's something odd going on and he feels he must forge ahead and find out what it is The floor of the cave is angling downward and there seems to be a light ahead Now when you see light in a cave it's usually coming from above not below This is curious and he's intent on finding out where this light is coming from He turns off his hard hat light and uses the light as a beacon to guide him forward As he gets closer to where the light seems to be coming from he trips and falls Not good His jacket has been shredded and he has a few small cuts on his hands He knew he should go back but he felt compelled to go on Then he falls again but this time he's falling into an abyss
