his or her delimited position within a narrative structure The organization of and clashes between many character spaces within a single narrative totality is essential to the novel s very achievement and concerns striking at issues central to narrative poetics the aesthetics of realism and the dynamics of literary representation Woloch s discussion of character space allows for a different history of the novel and a new definition of characterization itself By making the implied person indispensable to our understanding of literary form this book offers a forward looking avenue for contemporary narrative theory Bowker's Guide to Characters in Fiction ,2003 *Best Books for Children* Catherine Barr,2006 Contains more than 25 000 titles of books recommended for children in grades K 6 **MultiCultural Review** ,2004 **Best Books for Children, Preschool Through Grade 6** ,2006 School Library Journal ,2005 **Silent and True, Or, A Little Queen** May Agnes Fleming,1878
