there has been a surge of interest in post editing among the wider user community partly due to the increasing quality of machine translation output but also to the availability of free reliable software for both machine translation and post editing. As a result the practices and processes of the translation industry are changing in fundamental ways. This volume is a compilation of work by researchers, developers and practitioners of post editing presented at two recent events on post editing: The first Workshop on Post editing Technology and Practice held in conjunction with the 10th Conference of the Association for Machine Translation in the Americas held in San Diego in 2012 and the International Workshop on Expertise in Translation and Post editing Research and Application held at the Copenhagen Business School in 2012.

AMERICA ALES HRDLICKA, 1918 **Something to Be Desired** Thomas McGuane, 2012-06-13
A funny rueful and beautifully rendered portrait of American manhood on the rocks from the highly acclaimed author of *Cloudbursts* and *Ninety two in the Shade*. In life Lucien Taylor has made several mistakes but the two most grievous are as follows: leaving his wife and son to take up with his old flame Emily and putting up Emily's bail when she is arrested for murder. The upshot is that Lucien is left stranded in Montana with a malodorous hot spring and a squandered sense of purpose. As told by Thomas McGuane Lucien's attempt to recoup his losses makes for a book that says volumes about the lives of dogs and falcons: the

with potholes than seems fair There are Michael s and Meg s doting but demanding mothers for a start And then there s the
fruitless hunt for a place big enough for the couple to live together And a succession of crises brought on by the well meaning
