## **First To Fight 2000:**

First to Fight Oscar E. Gilbert, Romain V. Cansière, 2017-09-19 An amazingly detailed account of the American Expeditionary Force at Belleau Wood in 1918 from the authors of Tanks in Hell Books Monthly Retreat hell We just got here The words of Capt Lloyd Williams at Belleau Wood in June 1918 entered United States Marine Corps legend and the Marine brigade's actions there along with the censor's failure to take out the name of the brigade in the battle reports made the Corps famous The Marines went to war as part of the American Expeditionary Force bitterly resented by the Army and Gen Pershing The Army tried to use them solely as labor troops and replacements but the German spring offensive of 1918 forced the issue The French begged Pershing to commit his partially trained men and two untested American divisions supported by British and French units were thrown into the path of five German divisions Three horrific weeks later the Marines held the entirety of Belleau Wood The Marines then fought in the almost forgotten Blanc Mont Ridge Offensive in October as well as in every well known AEF action until the end of the war This book looks at all the operations of the Marine Corps in World War I covers the activities of both ground and air units and considers the units that supported the Marine brigade It examines how during the war years the Marine Corps changed from a small organization of naval security detachments to an elite land combat force The goal of revealing the thoughts and actions of individual soldiers in battle is achieved admirably here The Journal of America's Military Past First to Fight Steven T. Tom, 2019-09-20 Five days after the outbreak of World War I in the summer of 1914 American Kiffin Rockwell was on a ship headed for France The United States would not join the war for nearly three years but Rockwell believed it was time to fight He joined the elite French Foreign Legion and was soon fighting in the trenches of the Western Front A combat wound in 1915 rendered him unfit to fight on the ground so Rockwell volunteered to fight in the air becoming a charter member of the soon to be legendary Lafayette Escadrille a fighter squadron of volunteer American pilots In May 1916 Rockwell became the first pilot to score a victory for the new unit when he shot down a German plane He was wounded in the skies over Verdun but refused hospitalization insisting on remaining in the air He flew more missions with the Lafayette Escadrille than any other pilot until his death in aerial combat in September 1916 First to Fight is a high octane drama of a remarkable soldier and pilot who fought in the trenches and in the skies during World War I It is the story of one of the first American fighter pilots at the dawn of aerial combat the era of the Red Baron with dogfighting biplanes high above the trench lines But more than a World War I story more than an aviation story this is the story of an idealist who volunteered long before his country drafted its first soldier to fight and ultimately die in defense of civilization **Sports in America from Colonial Times to the Twenty-First Century: An Encyclopedia** Steven A.
