## FUNDAMENTALS OF MANAGEMENT

### 1.1. MEANING AND DEFINITION OF MANAGEMENT

#### **Meaning:**

The word "Management" has various meanings. The most important ones include the following:

- i. Management refers to a group of people who are responsible for guiding and controlling the organization (Managerial personnel).
- ii. Management is the process of running an organization (planning, organization, staffing, directing, and controlling).
- iii. Management is a body of knowledge, a discipline
- iv. Management is a factor of production, economic resource as land, labor and capital

#### **Definitions of Management**

Management is defined by different authorities in different ways. The following are some of the common definitions given by different authorities in the field.

- i. Management is the art of getting things done through and with people in a formally organized group.
- ii. Management is the art of knowing what you want to do in the best and cheapest way.
- iii. Management is the art of securing maximum results with a minimum of efforts so as to secure maximum prosperity and happiness for both the employer and employee, and give the public the best possible service.
- iv. Management is the process of planning, organizing, staffing, directing and controlling the use of firms' resources to effectively and efficiently attain its objectives.

#### *Why do the definitions of management differ?*

Authorities agree that it is impossible to provide a single universally accepted definition of management due to various reasons. Thus, the different orientations about the definition of management emanate from the following reasons.
