a) Neo-functionalism:

- start of integration: primacy of welfare issues better dealt with at supranational level;
- "Integration":
'Political integration is the process whereby political actors in several distinct national settings are persuaded to shift their loyalties, expectations and political activities toward a new centre, whose institutions possess or demand jurisdiction over the pre-existing national states. The end result of a process of political integration is a new political community, superimposed over the pre-existing ones' (Haas: 1958, p.16).
