Bullying in Popular Culture Abigail G. Scheg, 2015-05-05 Public awareness of bullying has increased tremendously in recent years largely through its representation in film television and novels In popular media targeted towards young readers and viewers depictions of bullying can present teachable moments and relatable situations Written from a variety of perspectives this collection of new essays offers a broad overview of bullying The contributors discuss the changing face of bullying in popular media bullying among females parents who cyberbully anti bullying novels the phenomenon of a Schadenfreude obsessed culture and how reality television shapes youth perceptions of what is acceptable aggressiveness

Entertainment Media and Communication Nicholas David Bowman, 2024-10-21 Although not considered a formal area of study scholarship on the uses content and effects of entertaining media has been central to communication studies and related fields for more than a century The serious study of entertainment seems paradoxical as we presume entertainment to be the lighter side of our daily lives Yet as revealed in this volume entertainment media serve as cultural artifacts that shape our understandings of various peoples and publics in ways that invite deeper immersive and increasingly interactive engagement On this backdrop Entertainment Media and Communication serves as a reference guide for canonical and foundational research into media entertainment and a collection of emerging and updated theories and models core to the study of media entertainment in the 21st century Across more than forty chapters and with a diverse and inclusive list of authors this volume provides a broad yet nuanced view into entertainment media and communication scholarship The contributors explore its foundations define and extend key concepts and theories through myriad lenses discuss unique considerations of digital media and divine future paths for scholarly inquiry

The Anatomy of Genres John Truby, 2022-11-29 A guide to understanding the major genres of the story world by the legendary writing teacher and author of The Anatomy of Story John Truby Most people think genres are simply categories on Netflix or Amazon that provide a helpful guide to making entertainment choices Most people are wrong Genre stories aren't just a small subset of the films video games TV shows and books that people consume They are the all stars of the entertainment world comprising the vast majority of popular stories worldwide That's why businesses movie studios production companies video game studios and publishing houses buy and sell them Writers who want to succeed professionally must write the stories these businesses want to buy Simply put the storytelling game is won by mastering the structure of genres The Anatomy of Genres How Story Forms Explain the Way the World Works is the legendary writing teacher John Truby's step by step guide to understanding and using the basic building blocks of the story world He details

the three ironclad rules of successful genre writing and analyzes more than a dozen major genres and the essential plot events or beats that define each of them As he shows the ability to combine these beats in the right way is what separates stories that sell from those that don t Truby also reveals how a single story can combine elements of different genres and how the best writers use this technique to craft unforgettable stories that stand out from the crowd Just as Truby s first book *The Anatomy of Story* changed the way writers develop stories *The Anatomy of Genres* will enhance their quality and expand the impact they have on the world

The New Complete History of the United States of America: Colonies to the restoration John Clark Ridpath,1905 Bumper Crop Joe R. Lansdale,2004 This collection of 26 stories contains some of Joe R Lansdale s favorite and most violent dark horror tales *God of the Razor* introduces the dark god behind serial killers A martial arts fight to the death between a reluctant champion and a sadistic alpha male is featured in *Master of Misery* Human sacrifice to ensure prosperity or as a coming of age ritual are themes of *On a Dark October* and *Duck Hunt* In *The Fat Man* young boys learn the hard way that some mysteries should not be investigated Many of the tales are truly weird such as *Chompers* the story of the false teeth with an appetite All stories are individually introduced by Lansdale who explains the humorous weird and sometimes sad genesis for each
