

# The Potter's Field

This area of the Brockville Cemetery was set aside at the beginning, as a place to bury those persons who died without means. Traditionally cemeteries have done so with reference to the field purchased from the potter in Jerusalem by the High Priests with thirty pieces of silver. This was the "blood money" which Judas Iscariot gave back after his betrayal of Jesus to the church authorities. The biblical reference is in the 27th chapter of Matthew.
