Russia Astolphe de Custine,2012-04-25 The Marquis de Custine s record of his trip to Russia in 1839 is a brilliantly perceptive even prophetic account of one of the world s most fascinating and troubled countries It is also a wonderful piece of travel writing Custine who met with people in all walks of life including the Czar himself offers vivid descriptions of St Petersburg and Moscow of life at court and on the street and of the impoverished Russian countryside But together with a wealth of sharply delineated incident and detail Custine s great work also presents an indelible picture roundly denounced by both Czarist and Communist regimes of a country crushed by despotism and intoxicated with slavery Letters from Russia here published in a new edition prepared by Anka Muhlstein the author of the Goncourt Prize winning biography of Custine stands with Tocqueville s Democracy in America as a profound and passionate encounter with historical forces that are still very much at work in the world today
