## Harry Mathews:

**The Way Home** Harry Mathews, 1989-01-01     Harry Mathews Harry Mathews, 1993     **Harry Mathews Interview** Harry Mathews, 1992     The Orchard Harry Mathews, 1988     *20 Lines a Day* Harry Mathews, 1989 For a period of just over a year Harry Mathews set about following Stendhal's dictum for writers of twenty lines a day: genius or not? What resulted is a book that is part journal, parts writer's manual, and part genius. First undertaken as a kind of discipline, the work molds itself into a penetrating reflection on daily events in Mathews's life, his friends, himself, and the act of writing.     **The Journalist** Harry Mathews, 2025-06-17 A blend of postmodern metafiction and old style bedroom farce. The Journalist explores the elusive, sometimes illusive boundaries between facts and the fictions we weave around them. The novel's protagonist, living at a time that might be the present in a city that might be anywhere, has decided for reasons of mental hygiene to keep a detailed record of his thoughts, words, and deeds. Very quickly, however, the project begins to absorb his entire life, as the increasingly meticulous recording of experience threatens to supplant experience itself. To make matters worse, what he records offers its own grist for worry: his devoted wife suddenly grows secretive, his equally devoted mistress turns evasive, his frustratingly independent son might or might not be visiting that same mistress behind his back, and his closest friend begins acting in mysterious ways, and is it just his imagination or is this friend having clandestine meetings with his wife? His ever more convoluted perceptions breed a dark muddle of suspicion leading to a climax that is at once intensely funny and excruciatingly poignant.     *Harry Mathews on the New York Poets, the Language Poets, and the Oulipo*, 1991     *Cigarettes* Harry Mathews, 2025-06-17 *Cigarettes* is a novel about the rich and powerful tracing their complicated relationships from the 1930s to the 1960s, from New York City to Upper New York State. Though nothing is as simple as it might appear to be, we could describe this as a story about Allen, who is married to Maud but having an affair with Elizabeth, who lives with Maud. Or say it is a story about fraud in the art world, horse racing, and sexual intrigues. Or, as one critic did compare it, to a Jane Austen creation or to an Aldous Huxley novel, and be right and wrong on both counts. With a new introduction by Lucy Sante, *Cigarettes* returns to print in full force, a brilliant display of Harry Mathews's ingenuity and deadly playfulness.     The Way We Write Barbara Baker, 2006-07-30 This book is a unique collection of interviews with award-winning writers. Each writer discusses their process, why they write, whom they write for, where, and how often they write, recurring themes, problems, and achievements. The interviews are intimate, honest, informative, and often humorous. Together, they offer a fascinating insight into the experience and hard work behind successful writers. This engaging collection is sure to appeal to anyone who loves reading or has ever wanted to be a writer.     **The Solitary Twin** Harry Mathews, 2018-03-27 Harry Mathews's last novel is one of his most accessible and perhaps one of his best. Harry Mathews's brilliant final work, *The Solitary Twin*, is an engaging mystery that simultaneously considers the art of storytelling. When identical twins arrive at an unnamed fishing port, they become the focus of the residents' attention and gossip. The stories they

tell about the young men uncover a dizzying web of connections revealing passion sex and murder Fates are surprisingly intertwined and the result is a moving often hilarious novel that questions our assumptions about life and literature

Worth a Thousand Words Wolfgang Mieder,2025-08-15 In 2014 Wolfgang Mieder published *Behold the Proverbs of a People* Proverbial Wisdom in Culture Literature and Politics with the University Press of Mississippi The book created an informative entry into the world of proverb scholarship illustrating that proverbs have always been and continue to be wisdom s international currency Picking up where *Behold the Proverbs of a People* left off this new book brings traditional proverbs into the modern era analyzing proverbs under four headings American proverbs proverbs in politics proverbs in literature and proverbs in culture Within these sections a wide array of proverbs and the topics they express are addressed and shown to still be relevant to the political and cultural landscape of today *Worth a Thousand Words* discusses the global spread of American proverbs and the reliance of proverbs in politics and everyday life in America and internationally It also examines proverbs in literature such as *Don Quixote* and *Destined to Witness* as well as proverbs in fairy tales *Proving the pen is mightier than the sword* Mieder s book demonstrates the ubiquity of proverbs By recognizing and documenting the proverbial linguistic patterns of our culture people and systems Mieder shows us how creative language serves as the guideposts for a free and idealistic world for ages past and ages to come Conquest of the New Word Johnny

Payne,2014-02-19 Latin American fiction won great acclaim in the United States during the 1960s when many North American writers and critics felt that our national writing had reached a low ebb In this study of experimental fiction from both Americas Johnny Payne argues that the North American reception of the boom in Latin American fiction distorted the historical grounding of this writing erroneously presenting it as mainly an exotic magical realism He offers new readings that detail the specific historical relation between experimental fiction and various authors careful deliberate deformations and reformations of the political rhetoric of the modern state Payne juxtaposes writers from Argentina and Uruguay with North American authors setting up suggestive parallels between the diverse but convergent practices of writers on both continents He considers Nelson Marra in conjunction with Donald Barthelme and Gordon Lish Teresa Porzecanski with Harry Mathews Ricardo Piglia with John Barth Silvia Schmid and Manuel Puig with Fanny Howe and Lydia Davis and Jorge Luis Borges and Luisa Valenzuela with William Burroughs and Kathy Acker With this innovative dual continent approach *Conquest of the New Word* will be of great interest to everyone working in Latin American literature women s studies translation studies creative writing and cultural theory **The Way Home** Harry Mathews,1999 This selection of Harry Mathews longer prose writings attests to his innovative genius in seven radically differing works Includes *Country Cooking in Central France* *Singular Pleasures* *The Orchard* *Amenian Papers* *Translation and the Oulipo* *The Way Home* and *Autobiography*
