Exploring Scripture How The Bible Came To Be

David R. Bauer

Exploring Scripture How The Bible Came To Be:

Exploring Scripture Phillip J. Cunningham,1992 Attempts to capitalize on student interest in Scripture while at the same time broadening their understanding of the Bible itself how it came into existence how it relates to other forms of literature and how its formation and content relate to our knowledge of history

How the Bible Came to be John W. Miller,2004 The Bible comprises a large array of books teachings and stories woven into a longer narrative that opens with creation and ends with a vision of creation renewed Although it is the best selling book in history and notwithstanding its vast popularity and importance very few of its readers have any idea who actually wrote its various segments or how they came to be assembled into the sacred work we know today Moreover history has shown that it can be wrongly interpreted with devastating consequences In HOW THE BIBLE CAME TO BE John W Miller has written the first detailed study of the form and message of the Bible as a whole along with carefully documented information on how when and why its diverse components were assembled His pathbreaking work puts readers in touch for the first time with the intent and goals of those who created this large body of sacred scriptures Taken together the information in HOW THE BIBLE CAME TO BE shows how an awareness of the factors at play in the Bible s formation can greatly enrich our understanding and appreciation of the sacred scriptures and their major components Since it is both historically objective and theologically meaningful this work is ideally suited for introducing the Bible in college university or seminary courses Its ecumenical approach should make it of interest to anyone wanting a better understanding of the Bible and its origins

How the Bible Became the Bible Donald L. O'Dell,2020-02-19 This book is for those who want to be true to the spirit of the Christ and want to use the Bible as a guide to their spiritual growth rather than as a literal instruction manual for evaluating and judging external behavior especially the behavior of others Spiritual growth pays little attention to controlling external behavior Spirituality is always an inside job and is always gentle kind understanding and accepting of others and of self The fruit of this book is the presentation of biblical facts which are sewn together in the recognition that the Kingdom of God is available right now for you Having experiences where others see God in you Gifting your life with experiences of seeing God in all others and Experiencing Spirit s daily guidance as you live your life Clear spiritual thinking requires an understanding of what the Bible is and isn't

Forgotten Scriptures Lee Martin McDonald,2009-01-01 The early Christian church had a variety of Scriptures and other source material that informed their faith and shaped their thinking But after a few centuries the church decided to keep the twenty seven books of our present New Testament and to treat them as a canonical in faith and practice But what of the other books Many of them have survived and remain valuable for understanding the diversity of the early Christian church and the astounding claims of faith on which it was founded Learning about these ancient documents need not threaten the church s current orthodoxy and authority in fact learning about these texts can help today s Christians form a deeper understanding of the early church

An Annotated Guide to Biblical Resources for Ministry David R.

Bauer,2011-04-01 David Bauer's Annotated Guide to Biblical Resources for Ministry is without doubt the most complete and up to date practical bibliographic compendium on the Bible now available All interpreters of Scripture pastors and teachers will find the information provided here useful and accessible Especially valuable are the annotations of selected books which offer careful and informed judgments about the usefulness of the works and provide succinct but informative and accurate descriptions and evaluations of each book While Bauer is a New Testament teacher his choices and assessments in the Old Testament bibliography are as good as any Old Testament scholar could produce I do not know of any comparable work for pastors and teachers Patrick D Miller Charles T Haley Professor of Old Testament Theology Princeton Theological Seminary This is one of those rare bibliographic guides that every student of religion seminarian and minister will want to have on his or her bookshelf The focus of this guide is on biblical studies It contains entries on 2 200 books written by 1 300 scholars Annotations describe and evaluate books that are highly recommended Virtually every topic in biblical studies is noted commentaries on each book of the Bible biblical histories theologies and ethics books on the canon archaeology early Judaism and interpretive methods and technical books such as grammars concordances Bible dictionaries and atlases The great strength of this guide is not only that it provides the reader with a wealth of information but also that the format it follows is eminently reader friendly The Guide is invaluable for assisting the student seminarian or minister in building a personal library I highly recommend it Jack Dean Kingsbury Professor Emeritus of Biblical Theology Union Theological Seminary in Virginia This book provides pastors and church workers with a map for navigating the maze of biblical studies It offers an extensive list of resources with helpful comments and recommendations that help readers discover which books will be of most interest to them The consistent focus is on volumes that are attentive to faith concerns and thus most promising for use within faith communities A valuable tool for any minister or church worker committed to taking the Bible seriously Mark Allan Powell Professor of New Testament Trinity Lutheran Seminary [The Formation of the Biblical Canon: Volume 2](#)

Lee Martin McDonald,2017-01-26 Lee Martin McDonald provides a magisterial overview of the development of the biblical canon the emergence of the list of individual texts that constitutes the Christian bible In these two volumes in sum more than double the length of his previous works McDonald presents his most in depth overview to date McDonald shows students and researchers how the list of texts that constitute the bible was once far more fluid than it is today and guides readers through the minefield of different texts different versions and the different lists of texts considered canonical that abounded in antiquity Questions of the origin and transmission of texts are introduced as well as consideration of innovations in the presentation of texts collections of documents archaeological finds and Church councils In the first volume McDonald reexamines issues of canon formation once considered settled and sets the range of texts that make up the Hebrew Bible or Old Testament in their broader context Each individual text is discussed as are the cultural political and historical situations surrounding them This second volume considers the New Testament and the range of so called apocryphal gospels that were

written in early centuries and used by many Christian groups before the canon was closed Also included are comprehensive appendices which show various canon lists for both Old and New Testaments and for the bible as a whole

How the Bible Became the Bible Donald O'Dell,2019-01-20 How can we apply the biblical wisdom in our lives today There is always tension between the faith one has and the attempt to communicate that faith in a rational language While O Dell preforms a scholarly work explaining facts politics and beliefs that forged the evolution of the Bible his experiential faith in the sacredness of the presence of the Holy Spirit imbues this book with authentic humanness Readers will understand that being a Christian requires much more than attaching oneself to a congregation adopting certain codes of behaviors or believing the Bible literally The bedrock of this writing is the experience it provokes as you are forced to acknowledge that words are not teachers but experiences are This book shreds again and again the dogma and theologies created by the emerging Early Church The fruit in this book is the timeless study of facts of the Bible which are sewn together in the experiential discovery of recognizing the Kingdom of God is available right now for you having experiences where others see God in you gifting your life with experiences of seeing God in all others as well as experiencing Spirit s guidance as you go about your daily life Love always wins Righteousness always wins Truth and mercy always win This book is a tool for studying the Bible Make no mistake the author is constantly and gently reminding us the most significant aspect of one s spiritual journey is the growing awareness of the presence of the Holy Spirit O Dell s documented research of political and religious influences on the text of the Bible is an extraordinary walk through time It becomes obvious these influences repeat themselves again and again both in the history and in the Scriptures This book contains keys to help you unlock the doors surrounding your interpretations and perceptions of the Bible to discern adapt and adjust as your spiritual experiences expand

The Biblical Canon Lee Martin McDonald,2006-11-01 Selected for inclusion in Preaching magazine s Annual Review of Outstanding Books for Preachers 2006 This is the thoroughly updated and expanded third edition of the successful *The Formation of the Christian Biblical Canon* It represents a fresh attempt to understand some of the many perplexing questions related to the origins and canonicity of the Bible

Essential Bible Study Tools for Ministry Professor David R. Bauer,2014-03-18 This up to date highly selective bibliography is designed to acquaint students and ministers with major works significant publishers and prominent scholars in biblical studies It is the perfect guide for beginning a research project or building a ministerial library References are included based on the following considerations 1 usefulness for the theological interpretation of the Bible within the context of the faith of the church 2 significance in the history of interpretation and 3 representation of evangelical and especially evangelical Wesleyan scholarship

How the Bible Became the Bible Donald L. O'Dell,2020-02-19 This book is for those who want to be true to the spirit of the Christ and want to use the Bible as a guide to their spiritual growth rather than as a literal instruction manual for evaluating and judging external behavior especially the behavior of others Spiritual growth pays little attention to controlling external behavior Spirituality is always an inside job and is always gentle

kind understanding and accepting of others and of self The fruit of this book is the presentation of biblical facts which are sewn together in the recognition that the Kingdom of God is available right now for you Having experiences where others see God in you Gifting your life with experiences of seeing God in all others and Experiencing Spirit s daily guidance as you live your life Clear spiritual thinking requires an understanding of what the Bible is and isn t God's Echo: Exploring Scripture with Midrash Sandy Eisenberg Sasso,2007-06-01 The Rabbis of old believed that the Torah was divinely revealed and therefore contained eternal perfect truths and hidden meaning that required elucidation The meaning of a text was more complicated than simply reading it And meaning changed over time This understanding of how the Bible mystically relates to all of life is the fertile ground from which midrash emerged The rabbis believed that nothing in the Bible not the choice of words or their spellings not the order of events or the relationship of one text to another was haphazard or inconsequential Everything was there with purpose They deemed it their responsibility to discover connections and harmony where on the surface none appeared to exist A text may contain multiple meanings Time is of no consequence They felt free to read back into old stories what happened in future eras and to see in the early stories of Genesis a foreshadowing of future events In this engaging book Rabbi Sasso explores how midrash originated how it is still used today and offers new translations and interpretations of more than twenty essential midrash texts Exploring and Engaging Spirituality for Today's Children La Verne Tolbert,2014-05-19 Exploring and Engaging Spirituality for Today s Children A Holistic Approach answers questions about the most effective ways to help children pre teens and teens develop spiritually This collection of research gleaned from presentations during the Fourth Triennial Children s Spirituality Conference at Concordia University in 2012 is divided into four major sections 1 theological and historical foundations 2 engaging parents and congregations 3 engaging methodologies and 4 exploring children at risk child pornography social justice intercultural diversity and abstinence education Researchers acknowledge that the home is the foundation for Christian nurture In Exploring and Engaging Spirituality for Today s Children both scholars and ministry leaders come together with parents to promote a holistic environment where children are encouraged to love respect and obey God From birth to high school children s voices resonate throughout these studies as they are invited to share their reflections and experiences Exploring and Engaging Spirituality for Today s Children is a lively easy to read collection that reflects a broad range of faith traditions and is ideal for all those who are committed to the spiritual development of children **Where on Earth Did the Bible Come From?** William Miller Fulkerson,2020-02-26 There are many book studies of particular books of the Bible There is also a myriad of devotional and inspirational books regarding the Bible and many questions about it Why are there different accounts of some events Why is the description of the earth and the world different from what we know today Many of these questions and others are answered when a person learns how the Bible was put together This book does not deal with theology or doctrine It is an account of how the various parts of the Bible came to be included Further the book traces the journey of the Bible

from its initial collections to Jerome and continues until its publication in the English language in both the Protestant and the Catholic versions The author has written this book for the eager layman and woman and also for the first year college or Bible school student who is in a religious studies program The Catholic Periodical and Literature Index ,1992

Scripture Bulletin ,1993 Journal of Biblical Literature ,1992 *Let's Explore Inside the Bible* Fiona Walton,1994 This book takes you inside the Bible and shows you what it was like to live in a tent how the walls of Jericho fell down how water was changed into wine and many more interesting facts and curiosities **Explore the Bible Yourself** Rick Yohn,1982

Biblical Resources for Ministry David R. Bauer,1995 A thorough bibliography of important English language books on biblical studies *Palestine Exploration Fund* Palestine Exploration Fund,1902
