The New Pelican guide to English literature. 8: From Orwell to Naipaul Boris Ford,1992 From Orwell to Naipaul Boris Ford,1995 **Orwell** Jeffrey Meyers,2000 This the first biography to draw on a close study of the new Complete Works sheds a new light on this extraordinary literary figure through interviews with family and friends and research into material in the Orwell archive It also includes previously unpublished photographs *The Sum of No Equation* Sabine Freyling,2008 Starting with the social and psychological side of the person Naipaul one can summarise some reasonably simple discoveries that can be extracted from both his autobiographical pieces and his seemingly fictional books published within a period of more than fifty years Naipaul suggested that the way to approach the author is not through finding out as much as possible about the man and one could easily argue that the idea shall simply be used in conversion One can learn more about the person when taking into account all that has been produced by the author who is part of the person By this means one can extract valuable information about both person and author and thus can easily uncover some mysteries that have been established by the author person to conceal the reality behind a fixed idea that has always played a significant role in Naipaul s life Having studied English Naipaul was aware of all the tools available and of the aims of literary critics and seems to have challenged these established routes for his own sake and to serve his purpose Colonial Power, Colonial Texts M. Keith Booker,2025-12-10 Half a century after the Raj India retains a major place in the British imagination In *Colonial Power Colonial Texts* M Keith Booker examines a number of British novels that deal with colonial rule in India in the first half of the twentieth century The works discussed by authors such as Rudyard Kipling E M Forster George Orwell Paul Scott and J G Farrell date from both the colonial and postcolonial periods and Booker pays attention as well to representations of India in both British and American popular culture especially film These various cultural texts open multiple viewpoints on the role of literature in the British vision of India and the role of India in the British conception of literature Drawing particularly on the work of Georg Luk cs and Fredric Jameson Booker focuses on the treatment of British colonial power in these fictions as that treatment indicates how colonialism and decolonization participate in a larger historical process of modernization The author uses a Marxist model of bourgeois cultural revolution to illustrate the ways these texts engage in productive exchanges with their historical context *Colonial Power Colonial Texts* will be of particular value to those who study the role of culture in colonialism and anticolonial resistance as well as to students and scholars of modern British literature and culture **The Longman Anthology of British Literature** David Damrosch,1999 Volume 2C 20th Century of 6 volume splits of parent volumes The New Pelican Guide to English Literature Boris Ford,1983 Somerset Maugham Jeffrey Meyers,2010-04-28 An instinctive and magnificent storyteller Somerset Maugham was one of the most popular and successful writers of his time He published seventy eight books including the undisputed classics *Of Human Bondage* and *The Razor s Edge* which sold over 40 million copies in his lifetime Born in Paris to sophisticated parents Willie Maugham was
