The Three Mothers for William the Caretaker William Ankin,2019-01-03 The last thing I ever wanted to do was write this book But as you will see my life is not entirely my own I have been working on this book for almost twenty years But I have been stalling publishing it because it could cost me my

anonymity privacy and quiet country life I have everything to lose by publishing this book but it is so much bigger than myself I was first shown this book when I was thirteen years old and told that it was the story of my life that was written before I was born Now as the last task of my life I must leave a copy of it behind This book uses the events of my life to explain our relationship with the spirit world But you are more than welcome to come to your own conclusions about the facts of my life It would be hard for even me to believe what has happened to me if I haven't been living through it All I can do is guarantee that everything in this book is true After forty years of listening to my spirit guides teachings they have used science to explain the true meaning of life They communicate in a form of pure reality that may be difficult for some people to comprehend until you think about every word they say All I ask is that you remember I am only the messenger so please don't direct your negative energy toward me Thanks
