Faces Of Truth:

Faces of Truth Stig Jørgensen,2000 For 2000 years the study of law has assumed that our biological nature is a mere accessory of reason Stig Jørgensen turns this scientific rationalism on its head By using biology as a starting point he portrays reason as a tool of our genes alongside other survival tools such as our senses and drives *The Many Faces of Truth* Donna R. Griffith,1986 *Truth Is* Hannah V. Sawyerr,2025-09-23 From the critically acclaimed author of *All the Fighting Parts* comes an empowering and defiant novel in verse in which a teen poet grapples with an unplanned pregnancy and determines what happens to her body in a world that wants to take the choice away from her Seventeen year old Truth Bangura wants nothing more than to know a life beyond her hometown Writing and performing is her only solace in a life overwhelmed by a drifting relationship with her best friend an emotionally turbulent home environment and the reality that her below average grades make her true dream escaping her mother s grasp after graduation uncertain When Truth learns she s pregnant by her ex boyfriend she makes one decision she s finally sure about an abortion Determined to move forward Truth turns to the pages in her notebook with the support of her slam poetry team including the poet with a voice smooth as summer jazz who s been catching her eye during practice At an open mic night Truth finally gains the courage to perform a piece that dives into her rocky relationship with her mother and reveals the choice she never told her But when a video of Truth s performance is posted online and starts going viral her decision quickly becomes everyone s business including her mother s Told through searing free verse journal entries and interspersed fill in the blank poetry prompts Hannah V Sawyerr s *Truth Is* reminds us there is always a choice There is always hope And there is always a way forward **Home Chat** ,1903
