The Church of Scientology Hugh B. Urban, 2013-02-24 Scientology's long and complex journey to recognition as a religion Scientology is one of the wealthiest and most powerful new religions to emerge in the past century To its detractors L Ron Hubbard's space age mysticism is a moneymaking scam and sinister brainwashing cult But to its adherents it is humanity's brightest hope Few religious movements have been subject to public scrutiny like Scientology yet much of what is written about the church is sensationalist and inaccurate Here for the first time is the story of Scientology's protracted and turbulent journey to recognition as a religion in the postwar American landscape Hugh Urban tells the real story of Scientology from its cold war era beginnings in the 1950s to its prominence today as the religion of Hollywood's celebrity elite Urban paints a vivid portrait of Hubbard the enigmatic founder who once commanded his own private fleet and an intelligence apparatus rivaling that of the U S government One FBI agent described him as a mental case but to his followers he is the man who solved the riddle of the human mind Urban details Scientology's decades long war with the IRS which ended with the church winning tax exempt status as a religion the rancorous cult wars of the 1970s and 1980s as well as the latest challenges confronting Scientology from attacks by the Internet group Anonymous to the church's efforts to suppress the online dissemination of its esoteric teachings The Church of Scientology demonstrates how Scientology has reflected the broader anxieties and obsessions of postwar America and raises profound questions about how religion is defined and who gets to define it

*The Fama Portfolio* Eugene F. Fama, 2017-09-07 Few scholars have been as influential in finance both as an academic field and an industry as Eugene Fama Since writing his groundbreaking 1970 essay on efficient capital markets Fama has written over 100 papers and books that have been cited hundreds of thousands of times Yet there is no one collection where one can easily find his best work in all fields The Fama Portfolio will be an outstanding and unprecedented resource in a field that still concentrates mainly on questions stemming from Fama's work Is the finance industry too large or too small Why do people continue to pay active managers so much What accounts for the monstrous amount of trading Do high speed traders help or hurt The ideas facts and empirical methods in Fama's work continue to guide these investigations The Fama Portfolio will be a historic and long lasting collection of some of the finest work ever produced in finance

Valuation of Equity Securities Geoffrey Poitras, 2010-06-30 Provides a treatment of academic and practitioner approaches to equity security valuation This book

The Political Thriller in Contemporary American Cinema Krešimir Bobaš,2025-06-30 The Political Thriller in

Contemporary American Cinema examines how political thriller films de construct and reflect the sociopolitical realities of the second half of the twentieth century as well as the first two decades of the twenty first century The book highlights the convergence between the cinematic narrative its underlying political discourse and the audience s perception of it Through a critical lens it analyzes how contemporary films utilize characterization narrative and suspense to examine topics of governance malfeasance and power dynamics By referring to films such as The Manchurian Candidate Zero Dark Thirty and Snowden this book traces the evolution of the political thriller questioning how its narratives mirror issues such as covert operations the erosion of democracy and governmental surveillance In turn the conspiratorial and underlying paranoid nature of these films serves as a reflection of societal anxieties and a metaphorization of the levers of power in America s modern day democracy Consequently this book serves as a contribution to the growing body of research on political cinema and the way it simultaneously reflects and shapes political life through its role as a sociocultural phenomenon In doing so it invites readers to further delve into the exploration of these films which represent complex commentaries on the structures of corporations media and the military that are predominant in contemporary American society and cinema **Fair Game**
