

A man with a grey beard and mustache, wearing a grey suit jacket, a white shirt, and a yellow patterned tie, is speaking at a podium. He is gesturing with his right hand. The background is a light-colored wall with a wooden shelf holding several books. There are green plants on either side of the speaker.

Faith And Life:

Christian Faith and Life ,1926 The Jewish People, Faith, and Life Louis Israel Newman,1965 **Faith and Life**
Benjamin Breckinridge Warfield,1990-12-31 B B Warfield kept up the Princeton tradition of Sunday afternoon classes with the students of the Seminary in which in his own words the deepest currents of the Christian faith and life were explored This book contains some of the memorable addresses he gave on those occasions *Outlook and Independent* ,1901 Faith and Fiction Anita Gandolfo,2007-08-30 In recent years there has been an explosion in the market for fiction on religious topics and themes most notably Dan Brown s *The Da Vinci Code* The variety of contemporary religious fiction and the publishing phenomenon surrounding it indicate that this literature transcends any overt religious meaning and is significant in its political and social implications it is emblematic of the contemporary American Zeitgeist Traditionally literature is both mirror and lamp reflecting the society that produces it and illuminating the values and interests of that society Recognizing both of those perspectives Gandolfo examines Christian literature s place in American culture today and explores the cultural meaning and significance of the wildly popular Christian fiction now available The phenomenon surrounding Dan Brown s *The Da Vinci Code* has led to a cottage industry of interpretations attacks and commentaries but one thing is certain the book has had an enormous impact on American society culture and religious understanding not to mention the publishing industry which scrambles to find similar religious books to feed to an eager public But *The Da Vinci Code* is not the only book of its type on the market today In recent years there has been an explosion in the market for fiction on religious topics and themes with an entire series devoted to the impending Rapture as described in the *Left Behind* series Some fiction does not take an explicitly religious theme as these books do Instead writers like Andre Dubus and Ron Hansen imbue their creative work with spiritual and religious themes embedded in the everyday lives and concerns of their characters Regardless of the specific approach what is not in doubt is that American readers have made the authors of these works wealthy as bookstores cannot stock their shelves with enough copies Why the recent surge of interest in Christian fiction How does it reflect trends in our culture and our lives How has it changed our society and our understanding of spirituality and religion How accurate are these books in terms of the theology they espouse The variety of contemporary religious fiction and the publishing phenomenon surrounding it indicate that this literature transcends any overt religious meaning and is significant in its political and social implications it is emblematic of the contemporary American Zeitgeist Traditionally literature is both mirror and lamp reflecting the society that produces it and illuminating the values and interests of that society Recognizing both of those perspectives *Faith and Fiction* examines Christian literature s place in American culture today and explores the cultural meaning and significance of the wildly popular Christian fiction now available The American Catalogue ,1905
