

A person is walking away from the camera on a paved road that leads towards a large, jagged mountain peak in the distance. The sky is overcast with soft, grey clouds. The foreground is a dry, brownish landscape. The text 'FAITH & FUTURE' is overlaid on the image. 'FAITH' is in white, '&' is in blue, and 'FUTURE' is in yellow. The person's shadow is cast on the road.

Faith In The Future

William Tait (English Chaplain at Pau.)

Faith In The Future:

THE FIRST FAITH OF THE FUTURE Rev. Shirley Leighton, Founder, 2014-07-09 This book is a compilation of many inspirational ideas which are printed in the hope of being helpful to seekers who are on a search for higher dimensions available to us as human beings on planet earth After the study and practice of many of the world's great spiritual teaching systems my pathway revealed to me the concepts contained in the chapters of this volume Paying attention to their precepts may be different from what is taught in our society but they will emerge as the wisest choice of attitudes in the every day running of our affairs Resist not the best advice ever given Try it you'll like it *Philosophical Faith and the Future of Humanity* Helmut Wautischer, Alan M. Olson, Gregory J. Walters, 2012-01-02 Karl Jaspers who died in 1969 had a profound impact on 20th century theology and philosophy His central thesis called for among other things a de-centering of philosophy from its Eurocentric roots and a renewal of its dialogue with other traditions especially Asian ones This collection of essays includes unpublished work by Jaspers himself as well as testimonies to his life and career by colleagues associates and translators some of who knew Jaspers personally Readers will also find commentary and interpretation by researchers who have explored Jaspers work for decades and a biographical account of Jaspers student Leonard Ehrlich who handled much of Jaspers English translation The book interrogates Jaspers conceptions of philosophical faith his philosophy of communication and the prospects for world philosophy in the future Focusing on philosophical faith it assesses Jaspers interpretations of key philosophers such as Kant Hegel Schelling Kierkegaard Nietzsche and Rosenzweig as well as examining his personal relationships with Bultmann and Heidegger Contributors also look at Jaspers philosophies of religion and history his hypothesis of the axial age Achsenzeit and his contributions to metaphysics periechontology and economics Finally chapters cover Jaspers philosophy of communication and world history The latter are informed by a burgeoning interest in Kantian Freiheitphilosophie that influenced Jaspers as well as concerns over the future of humanity These concerns in part account for Jaspers growing popularity in the Middle East Eastern Europe Central South America and Asia Also included are lucid clarifications of the difference between religious and philosophical faith and the relevance of certainty trust and communication for a future of mankind Trained as a psychiatrist Jaspers practiced this profession before becoming a philosopher and thus had a keen insight into the workings of the human mind even as he challenged the philosophical establishment of his time It is perhaps this depth to his background that adds to the contemporary relevance of his work
