Factory Rat:

Crime Family Chris Hosey, 2003-05 *Crime Family* is the story of two generations of multicultural men and women who come together to form a nationally feared crime family. It takes us through the story by following the man who is pivotal in forming the Jones Crime Family. The man's name is Cleveland Clever Jones. Clever is faced with different issues ranging from how to form and control his crime family to how to deal with his issues with his father who totally disowns him for leading a life of crime. The story also looks at Clever's partners, his friends, his wife, and his children who, at the point when Clever is ready to give up, take over and run the crime family their own way.

Daddy John Belanger, 2023-08-09 Welcome to Barrie Ontario, the city of a new breed of wizards. My daddy can walk through doors that aren't there. Through doors we walked through enchanted doors for our eyes only. Shelby is the main character. She did not have a clue that she was a wizard, a shape shifter. A wizard with attitude. Go girl go. A crown of flowers, an enchanted dress, a Grim Stone around her neck, and gifts from the Say Waze. They were on a mission to save the Umbrella people, cursed by an evil witch. A five hundred year old curse as we walk. She was taking Lucas's hand, a half mouse and half man, like a creator, falling in love as a true love story. The enchanted castle, hearing Tear Mina's cries, entombed in a crystal ball with a witch. Shelby found the power, the strength, and the courage deep inside her heart. Becoming the queen of time. Riding a Lamar Light across the waves of fire and ash of time. On a magical quest finding the Gleamer child to which it started. Entombing that witch with the power of children's happy thoughts. Breaking the curse through an enchanted door as Bits into the realm of the Luckiest House as the ghost of time. Gifted children, a witch, an epic battle for power. Grimsson fire consuming them all. Imprisoning that witch in a fifty year loop. Through a third enchanted door into a battle between the Tappets Umbrella people. Shelby We Walker Bits O Miss. Imprisoning her mother's three evil sisters, revealing the true story. Daddy.

Mark Plimsoll, 2011-01-26 *The Pan American Huckleberry Finn for the Twenty first Century* a memoir of the young author's struggle with two realities, one Anglo Saxon and the other Hispanic. In this picaresque coming of age memoir we see a vision of North America's future in twenty five years when the Hispanic population becomes the majority and changes not only the demographics of the United States of America but its culture. The author sweeps us along on a whirlwind of culture shock. He chronicles the adventures of a disgruntled industrial age young man who feels a tribal and instinctual reluctance to accept the Third World's view of the United States and America's foreign policy. But before he can assimilate the profound changes in language, culture, and reality, along comes a new relationship and an earthquake that stops a war only to kill twenty two thousand people and changes blind patriotism into something else.
