Albert Gani

## **This Book is for You If You Want to Cleanse Your Livelihood**

Give and you shall receive; seek and you shall find; trust and you will feel secure. These are not only spiritual laws. They are ethical, as well. And by the way, they are also financial.

No success, no abundance exists without them. All abundance is based on trust. This can be demonstrated by observing the trust that existed at the times of history when there was abundance.

This can also be observed where trust exists. The hubs of the financial world depend, for their transactions, on word of mouth, i.e., on trust. Lack of ethics breeds lack of trust and breeds poverty. Poverty is created by mistrust. Trust is what creates wealth and maintains it, and wealth and abundance are natural states. (Page 196.)
