**Fillmore Folk Tales** Parker Fillmore, 1922 **The Laughing Prince; A Book of Jugoslav Fairy Tales and Folk Tales** Parker Fillmore, 2015-10-28 *The Laughing Prince* A Book of Jugoslav Fairy Tales and Folk Tales Many of the earliest books particularly those dating back to the 1900s and before are now extremely scarce and increasingly expensive We are republishing these classic works in affordable high quality modern editions using the original text and artwork **The heart of heaven** □□□□, 1922 *The Laughing Prince: Jugoslav Folk and Fairy Tales, The Hickory Limb and A Little Question in Ladies' Rights* Parker Fillmore, 2006-01-01 There was once a farmer who had three sons and one little daughter The eldest son was a studious boy who learned so much out of books that the farmer said We must send Mihailo to school and make a priest of him The second boy was a trader Whatever you had he would get it from you by offering you something else for it And always what he gave you was worth less than what you gave him Jakov will make a fine peddler the farmer said He is industrious and sharp and some day he will probably be a rich man But Stefan the farmer's youngest son had no special talent and because he didn't spend all his time with his nose in a book and because he never made the best of a bargain his

brothers scorned him Militza his little sister loved him dearly for he was kind and jolly and in the evening he was always ready to tell her stories and play with her But the farmer of course listened to the older brothers I don t know about poor Stefan he used to say He s a good boy but he talks nonsense I suppose he ll have to stay on the farm and work Now the truth is the farm was a fine place for Stefan for he was strong and lusty and he liked to plow and harvest and he had a wonderful way with the animals He talked to them as if they were human beings and the horses all whinnied when he came near and the cows rubbed their soft noses against his shoulder and as for the pigs they loved him so much that whenever they saw him they used to run squealing between his legs Stefan is nothing but a farmer Mihailo used to say as though being a farmer was something to be ashamed of And Jakov said If the village people could see the pigs following him about how they d laugh at him I hope when I go to the village to live he won t be visiting me all the time Another thing the older brothers couldn t understand about Stefan was why he was always laughing and joking He did the work of two men but whether he was working or resting you could always hear him cracking his merry jokes and laughing his jolly laugh I think he s foolish Mihailo said Jakov hoped that the village people wouldn t hear about his carryings on They d laugh at him he said and they d laugh at us too because we re his brothers But Stefan didn t care The more they frowned at him the louder he laughed and in spite of their dark looks he kept on cracking his merry jokes and talking nonsense And every evening after supper his little sister Militza clapped her hands and cried Now Stefan tell me a story Tell me a story Father Mihailo would say you ought to make him keep quiet He s foolish and all he does is fill Militza s head with nonsense This always made Militza very indignant and she would stamp her little foot and say He isn t foolish He knows more than any one And he can do more things than any one else and he s the handsomest brother in the world You see Militza loved Stefan dearly and when you love a person of course you think that person is wonderful But the father supposed that Mihailo must be right for Mihailo studied in books So he shook his head and sighed every time he thought of Stefan Now the kingdom in which the three brothers lived was ruled over by a great Tsar who had an only daughter In disappointment that he had no son the Tsar was having his daughter brought up as though she were a boy He sent all over the world for tutors and teachers and had the poor girl taught statecraft and law and philosophy and all the other things that the heir to the throne ought to know The Princess because she was an obedient girl and because she loved her father tried to spend all her time in study But the dry old scholars whom the Tsar employed as teachers were not amusing companions for a young girl and the first lady in waiting who was in constant attendance was scarcely any better for she too was old and thin and very prim If the poor little Princess between her geography lesson and her arithmetic lesson would peep for a moment into a mirror the first lady in waiting would tap her arm reprovingly and say My dear vanity is not becoming in a princess One day the little Princess lost her temper and answered sharply But I m a girl even if I am a princess and I love to look in mirrors and I love to make myself pretty and I d love to go to a ball every night of my life and dance with handsome young men You talk like the daughter of a farmer the first

lady in waiting said Then the Princess because she lost her temper still further said something she should not have said I wish I were the daughter of a farmer she declared Then I could wear pretty ribbons and go dancing and the boys would come courting me As it is I have to spend all my time with funny old men and silly old women Now even if her tutors and teachers were funny looking old men even if the first lady in waiting was a silly old woman the Princess should not have said so It hurt the feelings of the first lady in waiting and made her angry and she ran off to the Tsar at once and complained most bitterly Is this my reward after all my years of loving service to your daughter she asked It is true that I ve grown old and thin looking after her manners and now she calls me a silly old woman And all the learned wise men and scholars that you have gathered from the far corners of the earth she points her finger at them and calls them funny old men The fact is they were funny looking most of them but yet the first lady in waiting was right the Princess should not have said so And think of her ingratitude to yourself O Tsar the first lady in waiting continued You plan to make her the heir to your throne and yet she says she wishes she were a farmer s daughter so that she could deck herself out in ribbons and have the boys come courting her A nice thing for a princess to say The Tsar when he heard this fell into an awful rage The truth is whatever temper the Princess had she inherited direct from her father Wow Wow he roared just that way Send the Princess to me at once I ll soon have her singing another tune So the first lady in waiting sent the Princess to her father and as soon as he saw her he began roaring again and saying Wow Wow What do you mean funny old men and silly old women Now whenever the Tsar began roaring and saying Wow Wow the Princess always stiffened and instead of being the sweet and obedient daughter she usually was she became obstinate Her pretty eyes would flash and her soft pretty face would harden and people would whisper Mercy on us how much she looks like her father That s just what I mean the Princess said They re a lot of funny old men and silly old women and I m tired of them I want to be amused I want to laugh Wow Wow Wow roared the Tsar A fine princess you are Go straight back to the schoolroom and behave yourself So the little Princess marched out of the throne room holding her head very high and looking so much like the Tsar that the first lady in waiting was positively frightened The Princess went back to the schoolroom but she did not behave herself She was really very naughty When the poor man who knew more than anybody in the world about the influence of the stars upon the destinies of nations came to give her a lesson she threw his book out the window When the superannuated old general who was teaching her military man uvers offered her a diagram on which the enemy was represented by a series of black dots and our soldiers by a series of red dots she took the paper and tore it in two And worst of all when the old scholar who was teaching her Turkish for a princess must be able to speak all languages dropped his horn spectacles on the floor she deliberately stepped on them and broke them When the Tsar heard all these things he just wow wowed something terrible Lock that young woman in her chamber he ordered Feed her on bread and water until she s ready to apologize But the Princess far from being frightened by this treatment calmly announced I won t eat even your old bread and water until you send me some one who will make me laugh Now this

frightened the Tsar because he knew how obstinate the Princess could be on occasions He ought to know too for the Princess had that streak of obstinacy direct from himself This will never do he said He hurried to the Princess s chamber He found her in bed with her pretty hair spread out on the pillow like a golden fan My dear the Tsar said I was joking You don t have to eat only bread and water You may have anything you want Thank you the Princess said but I ll never eat another bite of anything until you send me some one who will make me laugh I m tired of living in this gloomy old castle with a lot of old men and old women who do nothing but instruct me and with a father who always loses his temper and says Wow Wow But it s a beautiful castle the poor Tsar said And I m sure we re all doing our very best to educate you But I want to be amused as well as educated the little Princess said And then because she felt she was going to cry she turned her face to the wall and wouldn t say another word What was the Tsar to do He called together his councilors and asked them how was the Princess to be made to laugh The councilors were wise about state matters but not one of them could suggest a means of amusing the Princess The Master of Ceremonies did indeed begin to say something about a nice young man but instantly the Tsar roared out such a wrathful Wow Wow that the Master of Ceremonies coughed and pretended he hadn t spoken
