Following the 2008 economic crisis the situation for young people deteriorated dramatically in many European countries Employment and training opportunities have reduced and levels of poverty and social exclusion have increased This book evaluates both institutional frameworks and programmes as well as the quantitative and qualitative basis of judgements in European youth policies that dominate current strategies This book evaluates both institutional frameworks and programmes as well as the quantitative and qualitative basis of judgements in European youth policies

**The Potential of Community Sport for Social Inclusion** Hebe Schailleé, Reinhard Haudenhuyse, Lieve Bradt,2022-05-11

Social inclusion is a pressing issue confronting all levels of sport today and community sport in particular Sport is being promoted as an inclusive environment in which people of all backgrounds and abilities can participate and access a range of social and health benefits Moreover sport is often heralded as a vehicle for promoting social inclusion in other societal domains Yet the policy ideal of sport for all is not always realised in practice and community sport continues to be plagued by various forms of

discrimination and social exclusion This book brings together a team of scholars from across the globe whose research addresses the complex relationship between community sport and social inclusion Their contributions critically examine the dynamics of inclusion exclusion in community sport as well as the broader outcomes and impacts that sports programmes may have in promoting or hindering social inclusion in other areas of life such as employment education and migrant

integration This book will be of interest to academics researchers and advanced students of sport sociology politics social work and public policy The chapters in this book were originally published as a special issue of *Sport in Society*
