

Has Modernism Failed - Cp. 5

Has Modernism Failed?

Suzi Gablik

In a film shown in 1982 at Documenta in Kassel, Germany, the English "living sculptors" Gilbert and George take turns enumerating their own characteristics. They tell us that they are unhealthy, middle-aged, dirty-minded, depressed, cynical, empty, seedy, rotten, badly behaved, arrogant, stubborn, perverted, and successful--finishing with "we are artists."

Who could ask for anything more? In the artificial, decaying environment of urban industrialism, art is not born of moral virtue; it is not meant for the saving of souls. If my attempt to throw light on the main issues of our present situation, "to show what contemporary art is and does, and how it came into being," has been realized at all, it must be fairly obvious by now that ours is not a healthy society, enjoying an optimistic, conciliatory kind of art. If the modern artist once embraced modernism with hope, pride, and a crusading spirit of disobedience, at this stage of the day he seems to cling on with desperation, feeling indefinitely sad and shoddy. If Gilbert and George can be taken as any yardstick, it is from his unfitness that the contemporary artist draws his power. The mood has changed from vehemence to decadence and weary cynicism. Are these words, then, a reasonable obbligation to what has become of Western cultural history--a tradition of revolt gone sour? Do they draw a fair portrait of the collective sensibility of an age dying of industrial exhaust, and without a breath of rapture?

I would betray the seriousness of the question were I simply to declare that modernism had failed, or even that it has come to a sticky end. The fact is no answer can be given without first examining what the ideals of modernism have been, and what has been essential to its system of

Has Modernism Failed
