Four Wise Men:

The Four Wise Men Michel Tournier,1997 Displaying his characteristic penchant for the macabre the tender and the comic Michel Tournier presents the traditional Magi describing their personal odysseys to Bethlehem and audaciously imagines a fourth the eternal latecomer whose story of hardship and redemption is the most moving and instructive of all Prince of Mangalore and son of an Indian maharajah Taor has tasted an exquisite confection rachat loukoum and is so taken by the flavor that he sets out to recover the recipe His quest takes him across Western Asia and finally lands him in Sodom where he is imprisoned in a salt mine There this fourth wise man gets the recipe from a fellow prisoner and learns of the existence and meaning of Jesus *The Story of the Other Wise Man* Henry Van Dyke,1895 **The Story of the Other Wise Man and The Mansion** Henry Van Dyke,1923 The Story of the Fourth Wise Man Henry Van Dyke,2000 You know the story of the Three Wise Men of the East and how they traveled from far away to offer their gifts at the manger cradle in Bethlehem But have you ever heard the story of the Fourth Wise Man who also saw the star rising and set out to follow it yet did not arrive with the other Magi The story expands the account of the Biblical Magi recounted in the Gospel of Matthew It tells about a fourth wise man a priest of the Magi named Artaban from Persia Like the other Magi he sees signs in the heavens that a King had been born among the Jews Like them he sets out to see the newborn ruler carrying treasures to give as gifts to the child a sapphire a ruby and a pearl of great price However he stops along the way to help a dying man which makes him late to meet with the caravan of the other three Wise Men He then begins his journey alone but arrives in Bethlehem three days late too late to see the child whose parents have fled to Egypt An essay towards a topographical history of the county of Norfolk. Edinger,2017-02-28 A medical psychiatrist and founding member of the Jung Foundation explores a pivotal part of analytical psychology encountering the self through individuation This book is about the individual s journey to psychological wholeness known in analytical psychology as the process of individuation Edward Edinger traces the stages in this process and relates them to the search for meaning through encounters with symbolism in religion myth dreams and art For contemporary men and women Edinger believes the encounter with the self is equivalent to the discovery of God The result of the dialogue between the ego and the archetypal image of God is an experience that dramatically changes the individual s worldview and makes possible a new and more meaningful way of life *Going to Extremes in Biblical Rewritings* Anthony Swindell,2023-03-06 This book sets out to provide a matrix for surveying the literary treatment of biblical tropes It supplies an overview of the literary reception of the Bible from the earliest times right through to contemporary writers such as Jeanette Winterson and Colm T ib n traces the literary reception and treatment of the Book of Job the figure of Uriah in the narrative of David and Bathsheba the figure of Lilith and Angels of Death and of Mercy These are all handled as specimen histories This is followed by an examination of the output of several specific early and later Twentieth Century

rewriters of the Bible In the last chapters three sets of other writers under particular headings the Great Disrupters etc are grouped together with a view to finding common characteristics as well as unique features in their approach to biblical tropes and provide conclusions and suggestions for further research
