

teaching kids about  
**BEING A GOOD FRIEND**

# Good Friend

**William Shakespeare**

## **Good Friend:**

Be My Good Friend Barbara Williamson, 2003-10-22 This is a children's book. It is a morality tale that teaches children that people should be judged on their character, not on how much money they have, where they live, or what kind of car they drive. In the story, two characters that have nothing in common and would probably never meet in a regular social setting are thrust into a relationship due to a minor car accident. Before the characters meet, they are struggling with their individual identities and the expectations society has on them. One character, Mr. Goodfriend, a tall and lanky starving artist type, is trying to keep his head above water, make a decent living, and has just saved enough money to buy a used but reliable compact car. The other character, Mr. Beemy, is a tiny portly well-to-do gentleman caught up in all of the trappings that come with a life in the upper echelon, including the fancy automobile. The reader soon becomes aware of the juxtaposition of a tall man crammed into a tiny car and a small man riding around in a huge luxury car, and the silliness involved in trying to conform to what society deems to be appropriate behavior based on social class. Additionally, the reader realizes that how people treat one another is what is truly important. After the fender bender, the characters have a chance to share conversation, food, and have an epiphany: Why not be comfortable in one's own skin and one's own car, for that matter? The two trade cars, become comrades, and realize that put together their last names are BE MY GOOD FRIEND.

**The Platform Sutra** Red Pine, 2006-11-10 An accessible translation of Hui neng's autobiography and teachings, completing the classic triumvirate of Zen Buddhist sutras. It is often linked with The Heart Sutra and The Diamond Sutra to form a trio of texts that have been revered and studied for centuries. However, unlike the other sutras which transcribe the teachings of the Buddha himself, The Platform Sutra presents the autobiography of Hui neng, the controversial 6th Patriarch of Zen, and his understanding of the fundamentals of a spiritual and practical life. Hui neng's instruction still matters; the 7th-century school of Sudden Awakening that he founded survives today, continuing to influence the Rinzai and Soto schools of contemporary Zen. Red Pine, whose translations of The Heart Sutra and The Diamond Sutra have been celebrated and widely received, now provides a sensitive and assured treatment of the third and final sutra of the classic triumvirate. He adds remarkable commentary to a translation that combined with the full Chinese text, a glossary, and notes, results in a Mahayana masterpiece sure to become the standard edition for students and seekers alike.

The Friend, 1879 *Pop's Advice* Chris Thurman Ph.D., 2022-10-31 Grandchildren are a wonderful blessing, and they need the best advice possible for their lives to turn out well. As a proud granddad, Dr. Chris Thurman passes along advice he has gleaned from his many years as a person of faith and psychologist. While written for his grandkids, this book can be helpful to all young people and the parents and grandparents helping them live a fuller and healthier life. Some of the biblically solid advice offered in this book includes: Hang around good people. Think the right thoughts. Be angry, but don't act the fool. Be content with little. Guard your heart. Let others toot your horn. Be grateful, even for your problems. Do the hard things first. In *Pop's Advice*, Dr. Chris Thurman guides our children and those of

us raising them in a time tested direction so their lives can be all God intended The advice in this book can help not only our young people but those of us who are older trying to make our way through life Regardless of age or situation Pop s Advice can guide all of us to live life in a way that goes beyond all we could have ever hoped for or imagined The Record of Linji Thomas Yuho Kirchner,2008-10-31 The Linji lu Record of Linji has been an essential text of Chinese and Japanese Zen Buddhism for nearly a thousand years A compilation of sermons statements and acts attributed to the great Chinese Zen master Linji Yixuan d 866 it serves as both an authoritative statement of Zen s basic standpoint and a central source of material for Zen koan practice Scholars study the text for its importance in understanding both Zen thought and East Asian Mahayana doctrine while Zen practitioners cherish it for its unusual simplicity directness and ability to inspire One of the earliest attempts to translate this important work into English was by Sasaki Shigetsu 1882 1945 a pioneer Zen master in the U S and the founder of the First Zen Institute of America At the time of his death he entrusted the project to his wife Ruth Fuller Sasaki who in 1949 moved to Japan and there founded a branch of the First Zen Institute at Daitoku ji Mrs Sasaki determined to produce a definitive translation assembled a team of talented young scholars both Japanese and Western who in the following years retranslated the text in accordance with modern research on Tang dynasty colloquial Chinese As they worked on the translation they compiled hundreds of detailed notes explaining every technical term vernacular expression and literary reference One of the team Yanagida Seizan later Japan s preeminent Zen historian produced a lengthy introduction that outlined the emergence of Chinese Zen presented a biography of Linji and traced the textual development of the Linji lu The sudden death of Mrs Sasaki in 1967 brought the nearly completed project to a halt An abbreviated version of the book was published in 1975 but neither this nor any other English translations that subsequently appeared contain the type of detailed historical linguistic and doctrinal annotation that was central to Mrs Sasaki s plan The materials assembled by Mrs Sasaki and her team are finally available in the present edition of the Record of Linji Chinese readings have been changed to Pinyin and the translation itself has been revised in line with subsequent research by Iriya Yoshitaka and Yanagida Seizan the scholars who advised Mrs Sasaki The notes nearly six hundred in all are almost entirely based on primary sources and thus retain their value despite the nearly forty years since their preparation They provide a rich context for Linji s teachings supplying a wealth of information on Tang colloquial expressions Buddhist thought and Zen history much of which is unavailable anywhere else in English This revised edition of the Record of Linji is certain to be of great value to Buddhist scholars Zen practitioners and readers interested in Asian Buddhism *Good Health* ,1898 *The Complete Concordance to Shakespeare: Being a Verbal Index to All the Passages in the Dramatic Works of the Poet* Mary Cowden-Clarke,1845 **California.
