*Edward Albee's At Home at the Zoo* Edward Albee, 2008 When you emerge from this impish comic playwright's glittering tribute to Molière written entirely in verse your head will be so dizzy with syncopated rhyme that you'll almost expect to find yourself speaking and thinking in chiming couplets Ives adds the truism that families come in all shapes and sizes is illuminated with haunting beauty in this exquisitely wrought comedy drama a piercing portrait of the contemporary social architecture in which the distance between people can be widened or collapse

**Motherhood and Representation** E. Ann Kaplan, 2013-07-23 From novels of the nineteenth century to films of the 1990s American culture abounds with images of white middle class mothers In *Motherhood and Representation* E Ann Kaplan considers how the mother appears in three related spheres the historical in which she charts changing representations of the mother from 1830 to the postmodernist present the psychoanalytic which discusses theories of the mother from Freud to Lacan and the French Feminists and the mother as she is figured in cultural representations in literary and film texts such as *East Lynne* *Marnie* and *The Handmaid's Tale* as well as in journalism and popular manuals on motherhood Kaplan's analysis identifies two dominant paradigms of the mother as Angel and Witch and charts the contesting and often contradictory discourses of the mother in present day America

**Ni Howdy!** Desi Downey, 2005-04-19 Author Desi Downey had never been out of the States and rarely out of the Midwest when her husband's job was transferred to China Without a clue and virtually overnight Downey was thrust into a new and bewildering existence *Ni Howdy* is Downey's nitty gritty down to earth and hilarious account of how she triumphed over the trials and tribulations of becoming accustomed to daily life in a foreign country From the horror of her first encounter with the primitive squatty potty to the difficulties of grocery shopping Downey paints a vivid and humorous picture of her experiences With no holds barred candid wit Downey writes frankly about herself her fellow expatriates and the Chinese people zeroing in on both the differences and similarities of two vastly different cultures Dispelling all those old stereotypical myths about East vs West *Ni Howdy* brings two incredibly diverse cultures together with laughter and heartwarming anecdotes [desi nihowdy net](#) [www.nihowdy.net](#)

**Modern Motherhood** Jodi Vandenberg-Daves, 2014-05-26 How did mothers transform from parents of secondary importance in the colonies to having their multiple and complex roles connected to the well being of the nation In the first comprehensive history of motherhood in the United States Jodi Vandenberg Daves explores how tensions over the

maternal role have been part and parcel of the development of American society Modern Motherhood travels through redefinitions of motherhood over time as mothers encountered a growing cadre of medical and psychological experts increased their labor force participation gained the right to vote agitated for more resources to perform their maternal duties and demonstrated their vast resourcefulness in providing for and nurturing their families Navigating rigid gender role prescriptions and a crescendo of mother blame by the middle of the twentieth century mothers continued to innovate new ways to combine labor force participation and domestic responsibilities By the 1960s they were poised to challenge male expertise in areas ranging from welfare and abortion rights to childbirth practices and the confinement of women to maternal roles In the twenty first century Americans continue to struggle with maternal contradictions as we pit an idealized role for mothers in children s development against the social and economic realities of privatized caregiving a paltry public policy structure and mothers extensive employment outside the home Building on decades of scholarship and spanning a wide range of topics Vandenberg Daves tells an inclusive tale of African American Native American Asian American working class rural and other hitherto ignored families exploring sources ranging from sermons medical advice diaries and letters to the speeches of impassioned maternal activists Chapter topics include inventing a new role for mothers contradictions of moral motherhood medicalizing the maternal body science expertise and advice to mothers uplifting and controlling mothers modern reproduction mothers resilience and adaptation the middle class wife and mother mother power and mother angst and mothers changing lives and continuous caregiving While the discussion has been part of all eras of American history the discussion of the meaning of modern motherhood is far from over *New Outlook* ,1954 *Railway Conductors' Monthly* ,1925 **Stealing America's Future** William Steiner,2010-04 Stealing America s Future makes a comparison of today s America to late 19th Century Europe using two rare books The Conventional Lies of our Civilization by Nordau describing Europe s elitist leadership and The Soviets at Work by Lenin outlining the Russian Revolution as it took place Not a part of the discussion of history both provide frightening detail about the nuances of the geopolitics of Europe circa 1900 that relate to today s America Using heartwarming family stories humorous anecdotes incisive criticism and cold factual analysis it describes how progressive liberalism with its attempts at social engineering and excessive permissiveness has brought social and economic disaster to America David Letterman relating to Sarah Palin I fear he sees her as more man than he will ever be and more woman than he will ever get Bill Maher relating to Michelle Obama my only conclusion about Maher is that he is just another angry little bully who is fearful of powerful women Is it time to separate the North American Continent into a federation of smaller component nations better reflecting the economics and ethos of these individual component nations yet having our common defense as the only connection or do we need to get back to the Constitution our founders gave to us Raised in a poor farm family in Pawnee County Nebraska Dr Steiner had the ethics of hard work and family values as his primary guide post to succeed Working his way through college and graduating from the University of Nebraska in 1973 he
