## **Gospel According To Angels:**

The Gospel According to Angels Robert W. Graves,1998 Angels have told us everything we need to know about what God considers important     *Angels in the Bible* George M. Smiga,2021-02-15 The Bible is full of passages in which angelic beings are sent to accomplish God s will Angels speak for God direct the course of nations and protect God s people They worship God and deliver God s judgment In *Angels in the Bible* George Smiga examines some of the Bible s most fascinating passages about angels exploring their ministry on God s behalf and drawing insights for our own spiritual lives Because angels are mediators of God s presence and action studying angels is studying God Commentary study and reflection questions prayer and access to online video lectures are included 6 lessons     The Gospel According to Dan Brown Jeff Dunn,Craig Bubeck,2006 There is a consistent gospel that Dan Brown preaches throughout all of his stories and it profoundly contrasts the Bible s Gospel You can t have both a choice must be made Stories are more than entertainment they form our worldview This book will lift up Brown s gospel against Christianity s biblical Gospel and help fans of Brown s books discern messages that are truly fiction and examine the new world view preached in his novels     **The Gospel according to st. **Behold, the Angels Came and Served Him'** Kristian A. Bendoraitis,2015-11-19 Angels have been analyzed in Christological research due to their primary function as messengers and mediators between heaven and earth Their role in the Gospel narratives however has been largely unexplored Utilizing the Old Testament and sources from the Second Temple period to illustrate the variety of angel traditions Bendoraitis identifies how these traditions are reflected in Matthew s Gospel and interprets the passages in which angels appear or are represented resulting in a detailed exegesis of those passages which specifically mention angels Each reference is critically analyzed in view of its role in the Gospel s narrative and in light of Matthew s redactional hand In addition each chapter is accompanied by a discussion of relevant traditions of angels in order to illustrate how Matthew s use of angels has facilitated his Gospel s message The examination concludes by postulating three factors in the inclusion of angel traditions in Matthew s narrative pertaining both to Matthew s Christology and worldview     **An Illustrated Commentary on the Gospels According to Mark and Luke** Lyman Abbott,1877
