Guess Spell Coloring:

The Guess & Spell Coloring Book May Swenson, 1976-01-01 Challenges the reader to guess and spell the answers to twenty five riddles about everyday objects Includes pictures of the objects to color

The Complete Guide to the NEXTSTEP™ User Environment Michael B. Shebanek, 1993-09-17 This book is about the advanced object oriented NEXTSTEP™ user environment for NeXT and Intel based computers It is intended for those who already own a computer running NEXTSTEP and want to quickly learn what it can do and how to get the most out of it with the least effort It is also for those who are considering the purchase of NEXTSTEP but want to learn more about how it works before making an investment Why a book on NEXTSTEP When I set out to learn how to use NEXT STEP several years ago I found it extremely difficult to find information from the usual sources such as books magazines user groups and authorized dealers NEXTSTEP users were scarce and finding a computer store that sold NeXT related products was even more rare There were also only a handful of NeXT user groups in existence and those that did exist met so far away that joining one of them was impractical The manuals I received from NeXT were helpful but I had the feeling there must be something more to it than what was written in the User's Reference It didn't describe many of the shortcuts that experienced users had found or the public domain and shareware utilities that were popular and how I could use them to make my work even easier and more fun

Notes from a Colored Girl Karsonya Wise Whitehead, 2014-05-14 This historical biography provides a scholarly analysis of the personal diaries of a young freeborn mulatto woman during the Civil War years In *Notes from a Colored Girl* Karsonya Wise Whitehead examines the life and experiences of Emilie Frances Davis through a close reading of three pocket diaries she kept from 1863 to 1865 Whitehead explores Davis's worldviews and politics her perceptions of both public and private events her personal relationships and her place in Philadelphia's free black community in the nineteenth century The book also includes a six chapter historical reconstruction of Davis's life While Davis's entries provide brief daily snapshots of her life Whitehead interprets them in ways that illuminate nineteenth century black American women's experiences Whitehead's contribution of edited text and original narrative fills a void in scholarly documentation of women who dwelled in spaces between white elites black entrepreneurs and urban dwellers of every race and class Drawing on scholarly traditions from history literature feminist studies and sociolinguistics Whitehead investigates Davis's diary both as a complete literary artifact and in terms of her specific daily entries With few primary sources written by black women during this time in history Davis's diary is a rare and extraordinarily valuable historical artifact

Words - An Integrational Approach Hayley G. Davis, 2013-07-04 Aims to reorient the study of language by taking into serious consideration the perspective on linguistic matters taken by lay speakers themselves as a response to the now inescapable conclusion that traditional linguistic theory with its focus on revealing the facts of language in general cannot handle the necessary indeterminacy of what is said and understood
