Newspapers, Magazines and Trade Publications ,1917 **Real Estate Record and Builders' Guide** ,1895 *Urban Castles* Jared N. Day,1999 In the first comprehensive investigation of the role of landlords in shaping the urban landscapes of today Jared Day explores the unique case of New York City from the close of the nineteenth century through the World War II era During this period tenement landlords were responsible for designing and shaping America s urban landscapes building housing for the city s ever growing industrial workforce Fueled by the illusion of easy money entrepreneurs managed their buildings in ways that punished compassion and rewarded neglect and created some of the most haunting images of urban squalor in American history *Urban Castles* mines a previously uninvestigated body of tenant and landlord newspapers journals and real estate records to understand how tenement landlords operated in an era before tenant rights developed into a central issue for urban reformers Day contends that perhaps more than any other group of property owners urban landlords stood upon the very fault lines of class ethnicity and race In contrast to many urban histories set in executive boardrooms and state houses and which chronicle struggles between large corporations government officials and organized labor this fascinating work deals with the more chaotic world of small scale entrepreneurs and their frequently antagonistic relationships with their customers working class tenants *Urban Castles* is a richly informative chronicle of the dark underbelly of America s emerging welfare state The neglected side of this important story covered by Day s research says much about the sea changes in landlord tenant relations and urban policy today Real Estate Exchange Counseling Robert L. Simpson,1983 Special Libraries ,1915 Also includes 1st 5th SLA triennial salary surveys Understanding 1031 Tax-free Exchanges Thomas J. Mahlum,2003 Federal Register ,1958 N. W. Bulletin of the New York Public Library New York Public Library,1926 Includes its Report 1896 19 Empire City David M. Scobey,2002 For generations New Yorkers have joked about The City s interminable tearing down and building up The city that the whole world watches seems to be endlessly remaking itself When the locals and the rest of the world say New York they mean Manhattan a crowded island of commercial districts and residential neighborhoods skyscrapers and tenements fabulously rich and abjectly poor cheek by jowl Of course it was not always so New York s metamorphosis from compact port to modern metropolis occurred during the mid nineteenth century *Empire City* tells the story of the dreams that

inspired the changes in the landscape and the problems that eluded solution Author David Scobey paints a remarkable panorama of New York s uneven development a city building process careening between obsessive calculation and speculative excess Envisioning a new kind of national civilization bourgeois urbanists attempted to make New York the nation s pre eminent city Ultimately they created a mosaic of grand improvements dynamic change and environmental disorder Empire City sets the stories of the city s most celebrated landmarks Central Park the Brooklyn Bridge the downtown commercial center within the context of this new ideal of landscape design and a politics of planned city building Perhaps such an ambitious project for guiding growth overcoming spatial problems and uplifting the public was bound to fail still it grips the imagination *Polk's Real Estate Register and Directory of the United States and Canada* ,1915 Comprising complete lists of real estate dealers and agents and abstracters of land titles **Standard Trade and Securities Service** ,1930
