rarely lets anyone in not even the steady stream of rescue dogs she fosters When Max returns to town for the summer at the behest of his grandmother Caro must finally face their past because she keeps running into Max and old feelings come rushing back Shortly after Max arrives Caro finds a puppy alone and shivering in a thunderstorm She takes the dog in planning to find her the perfect new family But at a time when her life is in turmoil this new furry friend who she names Frankie unexpectedly becomes her anchor As she opens her heart to the sweet cuddly canine Caro begins to wonder if she could love Max again too Max and Frankie feel like home and she can't bear to say goodbye to either of them But secrets both old and new are still lingering and Max hasn't completely forgiven her for breaking his heart all those years ago Will this be a summer of second chances or are they bound to make the same mistakes twice *Enemy Under Our Roof* Johanna M. W. F. Lemke, 2024-03-18 Riveting inspiring and informative Johanna's often graphic memoir *Enemy under Our Roof* is based on the author's experiences in war torn Hengelo the Netherlands in World War II From nights of terror spent in the cellar during air raids to the dreaded razzias when friends and neighbours are taken away to the camps readers will be spellbound as they are transported back to 1940's Europe Told through the eyes of young Cobie the narrative adopts an innocence that stands in stark contrast to the realities of war When hordes of Nazi bombers invade the Netherlands Cobie's peaceful orderly world is turned upside down Gradually she must learn to cope with fear loss cruelty and despair As she matures she tries to make sense of the horrors of war and her Christian faith a faith she maintains amid disillusionment and questioning Her most trying experience occurs when a Nazi officer billets himself in her home by force and she is confronted with issues of hatred and forgiveness She must battle both the enemy without and within uncovering valuable truths in the process Throughout the ordeal she is sustained by her older brother's sense of humour her faithful friends and the love and courage of her parents who keep hope alive until the long awaited day of liberation **California Occident**, 1914
