Goon Show 22:

It's All In The Mind Julie Warren,2020-04-16 British popular culture would probably be very different had Larry Stephens not been born We could now be living in a world without the Carry On films or Monty Python and we may never have heard of Tony Hancock Peter Sellers or Spike Milligan Stephens promising career as a jazz pianist was interrupted by the war and after serving as an officer with the commandos he moved to London and struck up a friendship with Tony Hancock becoming the sole writer of his stage material Hancock introduced him to Peter Sellers Harry Secombe Spike Milligan and Michael Bentine and together they created The Goon Show arguably the world s most influential comedy programme As one of the main writers throughout its nine year run Stephens experiences and acquaintances became themes and characters within the show For the first time the life and work of this unsung hero of British comedy has been thoroughly explored Using unrivalled access to Larry Stephens personal archive of letters photographs and artwork plus interviews with Stephens many notable friends family members comrades and colleagues It s All In The Mind tells the story of a boy from the Black Country whose short life had an enduring impact

The Real Peter Sellers Andrew Norman,2022-01-12 Throughout the world people regard Peter Sellers purely as a comedic genius surely one of the greatest ever to have lived But the astute observer will notice that he always appeared to be acting even when being interviewed So who was Peter Sellers Sellers once said I could never be myself you see There is no Me I do not exist There used to be me but I had it surgically removed Clearly this was not intended to be taken literally Instead the inference is that somehow he had lost his sense of identity To discover the real Peter Sellers is no easy task and when we do what we encounter is a totally different persona from the comedic characters that he portrayed on the screen Sellers had celebrity status a succession of beautiful wives immense wealth magnificent motor cars expensive yachts a house in Mayfair and various palatial residences But far from being happy he was plagued by self doubt ambitious but never satisfied And so he resorted to superstition clairvoyance and drugs to get himself through the day For all Sellers worldwide fame as Inspector Clouseau many regard the film Being There in which he played the character Chance a gardener as his masterpiece In fact the film was a damning indictment of the false god of materialism Sellers obsession with the character of Chance makes it seem likely that this was the kind of person he aspired to be and wished that he had been
