

# Health and equity framework

**Aim: To improve health, wealth, wellbeing and equity within our local communities**

## Embedding health and equity in our core activities

- Widen understanding of our patients, staff and communities and their needs including wider social determinants and inequalities faced
- Provide more services inside and outside the hospital focused on prevention, self-care and health improvement (make every opportunity count)
- Design, deliver and measure innovative ways to prevent illness, improve population health outcomes and reduce inequalities

## Integrating care around the needs of local communities through place-based partnerships

- Work with local councils, communities and NHS partners to plan and deliver high value, place-based integrated care services which meet the health and wellbeing needs of our local population
- Listen to, and involve, patients, carers and communities to ensure we are 'user centred' in everything we do
- Actively collaborate and connect with partners at place, sector and system level so we use resources to best effect

## Focusing on our staff as a key part of our local population

- Actively promote the mental and physical health and wellbeing of staff
- Create healthy environments for staff to work in
- Act as an exemplar employer focused on continuously improving the experience of our staff
- Working with our staff to support place-based community engagement

## Maximising our impact as an 'anchor' organisation in our local communities

- Widen access to quality employment and work
- Make purchases locally and for social benefit
- Use buildings and spaces to support communities
- Reduce the environmental impact of our work
- Work more closely with our local partners to further our collective 'anchor' mission
