This mark scheme is published as an aid to teachers and candidates, to indicate the requirements of the examination. It shows the basis on which marks were awarded to award marks. It does not evaluate the details of the decisions that took place at an markers' meeting before marking began, which would have considered the acceptability of alternative answers.

Mark schemes should be read in conjunction with the Question Paper and the End of Series Report.

Cambridge will not enter into discussions about these mark schemes.

This document consists of 12 printed pages.
