The Marriage Miracle:

The Marriage Miracle Paul Kendall, 2015-01-16 Truth that's what you've opened this book to find you want information that is solid and trustworthy You need truth because truth always works just like two plus two always equals four Truth will work in your marriage every time regardless of your circumstances The Marriage Miracle would be a facetious title for a book if it were based on a man's theory but this book is not based on man's theory it's based on the most trustworthy source of wisdom God's Word Isaiah 55:11 says that God's Word will not return void how is that possible Because God's Word is truth and truth always works That scripture goes on to say that whatever His Word is spoken into will prosper it prospers because the truth replaces the lie and when your decisions and actions are based on truth your circumstances begin to change This book is filled with Biblical principles of truth that will bring new life to your marriage if you simply apply them As you read these pages you will learn techniques that when applied to your marriage will always work Now I know the idea of learning techniques may sound less than exciting until you realize that you are already using them in your marriage The problem is they are not working you're not getting the results that you desire Therefore your greatest challenge in this book will be to replace your ineffective techniques with new ones based on principles of truth My wife Evie and I have been married for nearly 30 years now but in our 13th year of marriage we hit rock bottom It was a very very dark time We were two signatures away from a divorce and basically just trying to decide what would be best for our two children under the circumstances when somebody suggested that we go to marriage counseling I didn't like that idea because I always considered myself to be the helper and not the helpee Besides I was a minister and truthfully I was pretty embarrassed to go But I decided to go for one reason only so that after my divorce I could look my two children in the eyes and tell them I tried everything to make it work with your mother even counseling It was definitely the wrong reason to go but it got me there We joined one of their groups and went on to learn things in that program that we had never heard before At the end of the twelve weeks we were not all better but we had all of the tools that we needed to get all better We continued to use the tools for weeks and months and I'd like to tell you that we got better quick but it actually took us about two years to get to where we needed to be That might seem like a long time until you consider the fact that that was about 17 years ago So two years now seems like a drop in the bucket and certainly worth all of the healthy years of marriage that we've enjoyed since then Our children have also been able to grow up in a house with their biological mom and biological dad present So I know things may seem really tough for you I'm sure that they are but I want to encourage you to put your trust not in a person not in a book but in God's truth and trust God to transform your marriage just like He did mine The Marriage Miracle Bob Moeller, Cheryl Moeller, 2010 The Marriage Miracle is a user friendly Scripture based story driven book that will encourage all couples with the good news that there is no difficulty or disappointment in marriage that two softened hearts cannot overcome Bob and Cheryl Moeller who developed this book out of years of experience working with married couples show

convincingly that if a husband and wife soften their hearts toward each other it becomes a matter of when not if they resolve their relationship struggles The Moellers provide readers solid answers to three critical questions In the process they help couples uncover the condition of their heart toward their spouse and find the road home again to acceptance and intimacy Why do the hearts of husbands and wives grow hard How can husbands and wives soften their hardened hearts How can husbands and wives keep their hearts soft toward each other The Marriage Miracle walks couples through the liberating experience of softening their hearts toward one another setting them free to embrace all that God intended their relationship to be
