Familiar Stranger:

The Familiar Stranger Tyler Staton, 2025-01-28 Christians today are hungry for authentic spiritual experiences yet all too often they don't have the knowledge of or relationship with the Holy Spirit that is the key to a fully alive spirituality In *The Familiar Stranger* pastor and author Tyler Staton draws on Scripture tradition and spiritual practices to help you step into a genuine relationship with the Holy Spirit For a generation searching desperately for an experiential spirituality there's good news the Holy Spirit's indwelling presence to empower and transform is freely available Unfortunately confusion and unfamiliarity surround the Person of the Holy Spirit leading too many Christians either to sideline him or misunderstand what he means for their spiritual lives In *The Familiar Stranger* Staton reintroduces this oft neglected Person of the Trinity tracing the story of the Holy Spirit as it unfolds throughout the Bible and inviting believers to close the gap between what Scripture reveals about the Holy Spirit and their lived experience Along the way readers will Dig into key biblical images and metaphors that reveal the Holy Spirit's nature roles and personality Learn about common misperceptions that keep believers and churches from experiencing the fullness of the Holy Spirit's power and presence Discover how the Spirit brings discernment and access to miraculous power to partner with God in the work he's doing in the world Reckon with the indispensable role of spiritual experience for walking with God Understand how both Word and Spirit too often separated in some church traditions work together to draw people into a vibrant intimate knowledge of God *The Familiar Stranger* will challenge inform and encourage believers from every background to become more deeply acquainted with the Person and work of the Holy Spirit and experience his transformative life giving power in their lives

Mobile Media Practices, Presence and Politics Kathleen M. Cumiskey, Larissa Hjorth, 2013-08-29 As an example of convergence the mobile phone especially in the form of smartphone is now ushering in new promises of seamlessness between engagement with technology and everyday common experiences This seamlessness is not only about how one transitions between the worlds of the device and the physical environment but it also captures the transition and convergences between devices as well i e laptop to smartphone smartphone to tablet This volume argues however that these transitions are far from seamless We see divisions between online and offline virtual and actual here and there taking on different cartographies emergent forms of seams It is these seams that this volume acknowledges challenges and explores socially culturally technologically and historically as we move to a deeper understanding of the role and impact of mobile communication's saturation throughout the world
