## **Family Resource Management Principles And Applications:**

**Family Resource Management** Ruth E. Deacon, Francille M. Firebaugh, 1988      **Family Resource Management** Ruth E. Deacon, Francille M. Firebaugh, 1981 Abstract Principles of effective family resource management are presented to help adults solve the problems of individual and family living These principles are viewed as a sociological system consisting of inputs e.g. family values and goals family crises income assets credit and community support programs throughputs which act upon the inputs to achieve designated results e.g. planning and implementing and outputs consisting of an environment modified by the throughputs A theoretical system model is developed and each of its components is discussed in detail The model is then applied to specific family life situations e.g. families with handicapped members single parent families and low income families and to the family life cycle from young families to elderly people A glossary of terms provides definitions nzm

*Instructor's Manual to Accompany Family Resource Management* Mary Winter, 1981      **Family Resource Management** Tami James Moore, Sylvia M. Asay, 2012-07-17 The Second Edition of Family Resource Management unlocks the complexity of family decision making for students enabling them to grasp both the concepts and the underlying explanations of family behavior Authors Tami James Moore and Sylvia M Asay have provided a strong theoretical base to facilitate both understanding and retention and have organized the text to parallel the decision making process employed by professionals As a result it includes sections on introduction to the study of family resource management identification of family needs understanding resources available to families in differing socioeconomic circumstances evaluating alternatives and making choices and implementing and evaluating decisions      **Sourcebook of Family Theories and Methods** Pauline Boss, William J. Doherty, Ralph LaRossa, Walter R. Schumm, Suzanne K. Steinmetz, 1993-03-31 Origins We call this book on theoretical orientations and methodological strategies in family studies a sourcebook because it details the social and personal roots i.e. sources from which these orientations and strategies flow Thus an appropriate way to preface this book is to talk first of its roots its beginnings In the mid 1980s there emerged in some quarters the sense that it was time for family studies to take stock of itself A goal was thus set to write a book that like Janus would face both backward and forward a book that would give readers both a perspective on the past and a map for the future There were precedents for such a project The Handbook of Marriage and the Family edited by Harold Christensen and published in 1964 the two Contemporary Theories about the Family volumes edited by Wesley Burr Reuben Hill F Ivan Nye and Ira Reiss published in 1979 and the Handbook of Marriage and the Family edited by Marvin Sussman and Suzanne Steinmetz then in production
