Krishnan,2022-11-01 A lavender farm in summer A fifteen year old girl who loves the colours of sunset A handsome stranger who begs her to run away with him It could have been a love story Except it is not that kind of a story When a strange man approaches Rebecca Classion outside her farmhouse in the dead of the night and begs her to not go back inside she does what any sensible fifteen year old would do She runs straight back into the safety of home and slams the door shut behind her Only it turns out to be the worst decision of her life From that day on Rebecca Classion fades away From the memories of all who once knew and loved her From the perception of everyone she encounters Not a trace of her persists for more than a fleeting instant Not her voice Not a footprint All she yearns for is to exist again in the world of her loved ones But oblivion may be the only safe place After all to be seen is to be exposed And some truths are better left hidden      How to Teach
