uncontrollable but after eight years of dealing with the literal and figurative highs and lows of T1D McAllister has learned that it is more a lifestyle change These pages detail a framework for every situation you could possibly imagine involving T1D from coming home from the hospital after your diagnosis to preparing to leave your nest for freshman year at college Learn how to Count carbohydrates pump insulin like a pro and correct irregular blood sugar levels Tell your friends get good grades and survive school Play sports with the right game plan Navigate sex drugs and rock n roll And more Type 1 diabetes stinks but you don t have to go through it blind and alone Some have learned it the hard way but Highs Lows of Type 1 Diabetes will ensure that you will take control of your T1D diagnosis conquer your adolescent years and live a healthy and fulfilling life
