Essentials Of Social Group Work Skill:

Essentials of Social Group Work Skill Helen Upson Phillips,1973 **Essentials of Social Group Work Skill** Helen U. Phillips,1962 **Essentials of Social Group Work Skill** Helen Upson Phillips,1980 **A Mutual-Aid Model for Social Work with Groups** Dominique Moyse Steinberg,2014-02-24 Group work is a popular and widely used social work method Focusing particularly on the central role of mutual aid in effective group work this text presents the theoretical base outlines core principles and introduces the skills for translating those theories and principles into practice A Mutual Aid Model for Social Work with Groups will help readers to catalyze the strengths of group members such that they become better problem solvers in all areas of life from the playroom to the boardroom Increased coverage of evaluation and evidence based practice speaks to the field s growing concern with monitoring process and assessing progress The book also includes worker based obstacles to mutual aid their impact and their antidotes pre group planning including new discussion on curriculum groups group building by prioritizing certain goals and norms in the new group the significance of time and place on mutual aid and the role of the group worker maintaining mutual aid during so called individual problem solving an expanded discussion of anti oppression and anti oppressive practice unlocking a group s potential to make difference and conflict useful special considerations in working with time limited open ended and very large groups Case examples are used throughout to help bridge the gap between theory and practice and exercises for class or field help learners to immediately apply conceptual material to their practice All resources required to carry out the exercises are contained in over 20 appendices at the end of the book Key points at the end of each chapter recap the major concepts presented and a roster of recommended reading for each chapter points the reader to further resources on each topic Designed to support ethical and successful practice this textbook is an essential addition to the library of any social work student or human service practitioner working with groups **Essential Skills of Social Work Practice** Thomas O'Hare,2019-10-22 Essential Skills of Social Work Practice Assessment Intervention and Evaluation third edition by Thomas O Hare PhD MSW is written for advanced BSW and beginning MSW students who intend to work primarily in the mental health field The book consists of three parts Part I covers foundation concepts including linkages among assessment intervention and evaluation the relationship between research and practice and essential ethics in social work practice Part II addresses essential practice skills used throughout social work practice supportive and relationship building skills cognitive behavioral skills and case management skills Part III describes how these essential skills are combined as evidence based practices targeting specific problems and disorders including major mental illnesses substance abuse and personality disorders couples in conflict and both internalizing and externalizing disorders in children and adolescents The chapters focusing on disorders of children and adolescents emphasize family based interventions The final chapter addresses the profession s transition to evidence based practices and related challenges given that their adoption is now expected in professional mental health practice

Essential Theory for Social Work Practice Chris Beckett, 2006-04-06 I can say without equivocation this text is without doubt the best book about social work I have read Chris Beckett explores the purpose values activities and theories of social work in an ever changing social context that is clearly identified and examined Stephanie Petrie University of Liverpool Every day social workers face decisions that will significantly impact others lives and it is essential that these practical assessments are supported by a sound understanding of social work theory In this innovative and highly accessible textbook Chris Beckett explains how an understanding of these theoretical issues can improve the knowledge and skills base of professional practice Essential Theory for Social Work Practice is an engaging and readable text with a distinctively realistic and honest approach to the realities of everyday practice Framed in a comprehensive and logical structure Part 1 establishes what social workers do and the tools they need Part 2 considers how to assess handle and support change in others Part 3 explores the wide range of roles that social workers must fulfil Part 4 strengthens these links between theory and practice Exercises case examples chapter summaries and practice notes are used to great effect in each chapter enabling students to apply theory to practice as they progress through the book The book is an invaluable core text for all undergraduate social work students and offers excellent support for practitioners in their every day practice

Group Skills in Social Work Sue Henry, 1992 Firmly based in social science literature and research this basic practice text provides students with a good practical model of group growth and development that is easily comprehended and applied The second edition is organized as was the original around the concept of skill as knowledge in action with four dimensions of social work knowledge about groups and people in groups interacting and intersecting to dictate worker action to be taken These four dimensions stages and phases of group development contract form in effect role and location of worker vis a vis the group system and program media utilized to enhance group social focus are shown to apply in work with direct service groups as well as in groups beyond direct service training boards committees task groups etc

Journal of Health, Physical Education, Recreation, 1931

Perspectives on Social Group Work Practice Albert S. Alissi, 2008-06-30 Not simply another how to book this provocative collection of readings does not advance a single viewpoint or approach to group work Instead the 25 selections present the full spectrum of classic and current perspectives providing student and practitioner alike with a sound basis for evaluating contemporary practice and for formulating a personal approach to social group work The historical and conceptual roots of modern social group work methods are examined in Part I Conceptual Foundations which contains some of the classic statements in the field Part II Current Perspectives explores the most widely influential contemporary models of group work social goals perspectives remedial perspectives and mediative perspectives The two part section that concludes the volume focuses on applications group work is first discussed in relation to family and community casework and administration then self help groups and other techniques used in the fields of medicine counseling and psychology are surveyed in light of their implications for social workers To encourage the reader s active participation in the development of an individual philosophy

and approach to social group work Dr Alissi concludes each chapter with probing study questions These open ended questions stimulate comparisons among the methods presented and urge the reader to relate new ideas to his or her own experience in the field Introductions to each part and chapter also stress comparative aspects An annotated list of articles and books on the subject of each chapter allows the reader to explore it in greater depth A stimulating and systematic exposure to the most important ideas in social group work today Perspectives on Social Group Work Practice expands the repertoire of working concepts vital to contemporary practice Social Group Work Colorado. Department of Social Services. Library,1970 **Social Group Work** Gisela Konopka,1983 **The Skills of Helping Individuals, Families, Groups and Communities** Lawrence Shulman,1999 This text focuses on the skills social workers use in the helping process It defines illustrates and teaches helping skills and provides manageable models for understanding them The book also looks at the underlying process and its associated set of core skills A range of helping situations are addressed so that social workers can find useful models to incorporate into their own work The core processes and skills are identified in the chapters on work with individuals and reappear in the discussions of group family and community work **Social Group Work with Older People** ,1980 **Jewish Community Center Program Aids** ,1967 The Child-centered School Harold Ordway Rugg,Ann Shumaker,1928 **An Introduction to Social Group Work in Africa** Malcolm J. Brown,1969 **Theory and Practice in Social Group Work** Kenneth L. Chau,Marie Weil,Dannia Southerland,2019-06-04 Here is an important look at creative ways to successfully blend theoretical knowledge with skillful intervention in social group work Theory and Practice in Social Group Work represents leading works in conceptual development that creatively connect practice with theory and also reflect the current diversity of interventions in group work practice The book calls for more carefully articulated connections between knowledge and action and maps a strategy for strengthening social work curriculum and expanding group work practice Some of the areas discussed include group work in medical and health settings group work with people undergoing life cycle transitions and group work interventions with vulnerable populations A wide range of possibilities for applying theories in group work situations are presented in this thought provoking volume Some specific examples discussed include group work interventions with persons affected by the AIDS crisis and persons at high risk of contracting HIV a group model for the management of chronic pain group intervention services for the homeless mentally ill delivered through a mobile outreach team a bingo group in an SRO hotel group work with adults molested as children and a model of practice for work with minority populations and communities *A Classified Bibliography for the Field of Social Work* Leo W. Tighe,1959 **Announcement of Summer Session** New York School of Philanthropy,1930 **Books and Pamphlets, Including Serials and Contributions to Periodicals** Library of Congress. Copyright Office,1957
